Uniquely Authentic Experiences on the World's Most Legendary Rivers

Company Overview

AmaWaterways provides all-encompassing river cruise vacations on the most breathtaking waterways of Europe, Africa and Southeast Asia. World-renowned for the unparalleled quality of its rapidly-growing fleet – which includes 23 custom-designed ships boasting impeccable itineraries, services and amenities – AmaWaterways has earned a reputation for transforming the river cruise industry, creating authentic and inspiring travel experiences. AmaWaterways offers a wide range of included excursions – at gentle, regular and active paces and was the first river cruise to include bicycles on board its European fleet. The company consistently outranks competition in the areas of accommodations, service and other onboard features in the industry recognized *Berlitz: River Cruising In Europe* travel guide.

Founded in 2002 by river cruise pioneers Rudi Schreiner, Kristin Karst and Jimmy Murphy, AmaWaterways is the premier river cruise line on Europe's Danube, Douro, Main, Moselle, Rhine, Rhône, Garonne, Dordogne and Seine rivers, and the Dutch and Belgian Waterways. Its ships feature sparkling glass elevators; contemporary décor inspired by the destination; extensive amenities; lounges with panoramic views; a fitness room; heated swimming pool or whirlpool; complimentary in-room Entertainment-On-Demand systems; complimentary Wi-Fi on board; spacious staterooms and suites with configurations ranging from 160 to 710 sq. ft. and connecting staterooms on its newer ships. Many of AmaWaterways' staterooms feature a French Balcony or unique "Twin Balcony," consisting of a French Balcony and a full-size step-out balcony – providing breathtaking panoramic views. All onboard meals are included, along with a wide selection of complimentary regional wine, beer and soft drinks at every lunch and dinner. Renowned for its exceptional cuisine, AmaWaterways is proud to be the first river cruise line inducted into La Chaîne des Rôtisseurs, one of the world's most prestigious culinary organizations.

2019 will be another remarkable year for AmaWaterways with three new ships joining the fleet, including the *AmaMagna*, offering a new dimension in river cruising along the legendary Danube. Nearly twice the width of traditional European river ships, *AmaMagna* is a distinctive evolution of AmaWaterways' European river fleet, with a daring design that transcends her grand dimensions. *AmaMagna's* contemporary staterooms are reminiscent of those on ocean ships, with most suites measuring 355 sq. ft. and featuring full outside balconies. Six Grand Suites at 474 sq. ft. and an Owner's Suite at 710 sq. ft. provide even more amenities with spacious seating areas and luxurious bathrooms complete with bathtubs.

In addition to its impressive European fleet, AmaWaterways features incredible exotic itineraries in Africa and Southeast Asia, delivering the highest standards available for travel in these destinations. Through these unique sailings, travelers can delve into the heart of these destination with knowledgeable guides who share personal insights into the local history, people and cuisine.

In 2002, he teamed up with Jimmy Murphy and Kristin Karst to found AmaWaterways. Combining his passions and coinciding with the completion of the Rhine-Main-Danube Canal in 1992, Rudi became a driving force for river cruise travel—and for these efforts has been recognized as the “Most Innovative Cruise Executive” and was presented with the prestigious “Lifetime Achievement Award” by Cruise Lines International Association (CLIA).
