PREPARATIONS FOR YOUR TRIP

Passports & Visas

A passport is required for all AmaWaterways river cruises and it must be valid for at least six months after you return home. It is your responsibility to ensure that your passport is valid and contains all required visas. Please check your itinerary carefully and consult with the appropriate consulates to determine if any visas are needed. Vacations can be disrupted or altered if the correct documents cannot be presented at airports or border crossings. We recommend photocopying the first page of your passport, airline tickets, driver's license and/or birth certificate to expedite the process of replacing any documents lost while traveling. Keep the originals separate from the copies and pack some extra passport photos as well. Another option is to scan your passport, airline tickets and credit card numbers and email them to yourself as attachments. Please be sure to fill out the "Emergency Next of Kin" section in your passport (in pencil) as well.

Turkish Tourist Visa

All guests traveling to Turkey must have a Turkish Tourist Visa prior to entry into Turkey. You may obtain an electronic visa (e-Visa) prior to your arrival. To apply for the e-Visa, visit www.evisa.gov.tr and submit your application. Once the application is approved, you may make your payment online and download the e-Visa. The process takes only a few minutes.

Guests beginning their itinerary in Istanbul may purchase an e-Visa at interactive kiosks located at the Istanbul Atatürk Airport. However, fees for visas obtained upon arrival at the airport will likely be higher than those via the e-Visa website. Lines at airport kiosks may be expected to cause delays. It is highly recommended to obtain your Turkish Tourist Visa prior to your arrival in Turkey.

Guests entering Turkey via motor coach through Bulgaria (as part of AmaWaterways' post-cruise hotel land package) must obtain an electronic visa (e-Visa) prior to their arrival in Turkey. Visas cannot be obtained at the border crossing. To apply, visit www.evisa.gov.tr and follow the instructions mentioned above.

Online Check-in

AmaWaterways' online cruise check-in process is intended for the convenience of our valued guests. We kindly ask that all guests complete the online check-in by visiting our website (www.amawaterways.com/welcome-check-in). In addition to providing the mandatory information required for embarkation, the cruise check-in will:

- Ensure that guests' information, as it appears on their passports, is correct
- Permit guests to inform us of any dietary needs and special occasions they will be celebrating on board
- Allow guests to sign up for Limited Edition tours once final payment has been made
- Ensure that each guest's membership in our Privilege Rewards Program is up-to-date and accurate

TSA Secure Flight Program

The Transportation Security Administration (TSA) requires all passengers to provide Secure Flight passenger data when booking airline travel. This includes your full name, date of birth and gender as it appears on non-expired government-issued travel documents (e.g., passport, re-entry permit, alien registration card, "green card," photo ID, etc.). Any missing or incorrect information can cause unnecessary delays at the airport. If you booked your airline tickets through AmaWaterways and have not yet provided us with this Secure Flight passenger data, please contact our office as soon as possible at 800-626-0126 or 818-428-6198 (if dialing from outside of the U.S.). Please refer to your local transportation authorities for more information.

Travel Protection Insurance

If you purchased travel protection insurance, please make sure to write down important information such as the insurance company's telephone number and your policy number.

Baggage

International air carriers are often very strict about the size and weight of baggage and carry-on luggage. Please contact your air carrier or visit its website for specific requirements prior to your departure, as size and weight limitations vary according to the airline and destination. It is also important to check European domestic flight regulations as these too may vary. Passengers on international flights are usually allowed one piece of checked luggage and one carry-on bag per person. Some airlines limit each checked bag to a maximum of 62 linear inches (158 linear cm, length + width + height) and 50 lbs. (23 kg). Your carry-on should not exceed 22 x 14 x 9 inches (55 x 35 x 22 cm) or weigh more than 17 lbs. (8 kg). International air carriers may impose fees for baggage that is too large or heavy and/or require you to remove certain articles in order to meet weight restrictions.

Note: Please check airline websites for specific baggage limits for all your flights (both international and intra-Europe).

Important: AmaWaterways is not responsible for any additional fees imposed by air carriers. In addition, during your cruise and when traveling by motor coach, storage space may be limited and porters may decline to carry extra heavy suitcases for health and safety reasons. We recommend bringing only one suitcase and one carry-on bag per guest. Luggage tags are included with your travel documents. Guests receiving e-documents may request luggage tags on board. We also suggest putting your contact information (name, cell phone number, email) and the hotel and/or ship contact information inside your bags, just in case they are delayed.

AMAPRIMA CRUISING IN PASSAU, GERMANY

TRAVEL 101

It may be helpful to learn a bit about the places you plan to visit before you get there. Getting acquainted with the geography, top sights and basic words and phrases in the local language will greatly enhance your travel experience.

When traveling, please remain aware of your surroundings and try to be prepared for anything. Use common sense – avoid exploring unfamiliar areas on your own and don't display excessive amounts of jewelry or money. Despite language barriers, a friendly smile and a sincere thank you are recognized and welcomed around the world. Patience, understanding and respect towards others, including your fellow travelers and ship personnel, is essential for everyone's enjoyment.

HEALTH & WELL-BEING

Physical Requirements

AmaWaterways itineraries are as varied and active as you want them to be. Cruising days provide ample opportunities to relax on board, while shore excursions require a moderate amount of walking, often along Europe's uneven cobblestone streets, inclines, and up and down stairs. To better accommodate our guests and their individual fitness levels, we offer three levels of walking tours whenever possible: "Regular Walkers" go at an average pace, "Gentle Walkers" proceed in a more relaxed manner and "Active Walkers" move at a faster pace, which allows them some extra free time. Whenever possible, we also offer a "Late Starters" group for guests who prefer to sleep in a bit.

Medical Conditions

Please advise us before your departure date if you have any medical conditions requiring special attention during your trip.

Special Diets

Please let us know prior to your departure date if you have any special dietary requirements (e.g., vegan, diabetic, gluten-free, etc.). We will make every effort to accommodate your request with the resources available to us.

AMACERTO MAIN LOUNGE

OUR CREW WELCOMES YOU ABOARD

MONEY MATTERS

ATM (Automated Teller Machine) / ABM (Automated Banking Machine)

Our ships do not have cash machines but ATMs and ABMs are widely available throughout Europe and readily accessible during shore excursions. Please be sure to bring your personal pin number or security code for your card(s). Prior to your departure, we recommend notifying your bank of your travel plans so they can inform you of any applicable foreign transaction fees and/or restrictions.

Credit Cards

Major credit cards (Visa/MasterCard/American Express) are accepted in most European shops, hotels and restaurants. Please make sure that your credit cards are valid for at least 30 days after you return home and activate them before you travel. Some places may require a minimum charge for using credit cards and others may not accept certain cards, so it's best to bring more than one. As with your ATM card, we recommend informing your credit card company that you will be traveling abroad so they can expect overseas charges on your account.

Note: European countries use chip-and-pin credit cards, so cards with magnetic strips on the back (commonly used in North America) may not work with certain automated machines. You might want to carry some extra cash in your wallet to use in these situations just in case.

Travelers Checks

Travelers Checks can be exchanged for local currency on board in limited amounts (Mexican Travelers Checks are not accepted). There may be a foreign transaction fee for this service and daily conversion rates apply.

Settling Your Bill On Board

The day before your cruise ends, you will receive an invoice for any onboard charges you may have made. Please review it carefully before settling your bill. All onboard charges will be in Euros, payable with cash (Euros) or credit card. Pre-paid charge cards are not accepted. Your credit card company will convert your onboard charges into your home country's currency at the current exchange rate and service fees may apply. Please note that your onboard charges will not be referenced as "AmaWaterways Los Angeles" on your credit card statement, as cards are processed in Hamburg, Germany.

TRAVEL ESSENTIALS

What to Wear

Our best advice is, “if in doubt, leave it out.” Adopt a simple color scheme for your travel wardrobe to reduce the amount of clothing required. Pack wrinkle-resistant, easy-care cotton/polyester clothing and bring enough underwear and socks so that frequent laundry is not necessary. You may wish to bring a few smart casual outfits and something a little dressier to wear to the Captain’s Dinner or an evening concert. Bring comfortable walking shoes for shore excursions and one pair of dressier shoes.

You may be traveling through different climates and altitudes so layering is advisable. Europe can be quite warm in the summer, so short sleeve shirts, shorts, skirts, sundresses and a wide-brimmed hat are good items to pack. Bring a raincoat and warm sweater for chilly evenings, especially in the spring and fall, and warmer clothing and a heavy coat for winter cruises.

What to Pack

Current airport security regulations require that any liquids and semi-liquids (e.g., lotions, gels, etc.) stored in your carry-on bag MUST be in a container no larger than 3 oz. (88 ml) and all items must fit into a clear quart-sized plastic bag. Any items exceeding this limit may be confiscated by TSA personnel. Please refer to your local transportation authorities for more information. Some suggestions for what to pack:

- » Toothbrush, toothpaste, deodorant, comb or hair brush, razor, feminine products and cosmetics
- » Sunscreen and sunglasses
- » Tissues and antibacterial wipes
- » Travel alarm clock
- » Basic first aid kit: medications for upset stomach, prescriptions, aspirin, antiseptic cream, cold medicine, vitamins, bandages
- » Prescription eyeglasses or contact lenses
- » Mini flashlight
- » Small calculator (for currency conversions)
- » Converters, adapters, chargers and power cords
- » Travel umbrella
- » Camera and extra memory cards

Important: Pack a sufficient supply of any medications you are taking, copies of the prescriptions and the telephone/fax numbers of your doctor. Some countries require that prescription drugs be carried in their original container with the label clearly visible.

Note: Europe uses 220v and 2-pin adapters. Be sure to inspect your chargers and power cords (for cell phones, cameras, electric shavers, laptops, MP3 players, e-readers, etc.) to determine specific converter and/or adapter requirements to ensure their safe operation aboard the ship.

TRAVEL LOGISTICS

Airport Security and Check-in

It is recommended that you be at the airport at least three hours before international flights and two hours before domestic flights. This allows enough time to check your baggage, present your passport and ticket, confirm seat assignments and boarding passes and clear security procedures before proceeding to the boarding area. Most airlines offer online check-in 24 hours prior to departure, which can help you avoid long lines once at the airport. If permitted, this is also a chance to request seating assignments or buy an upgrade if available. Airport security regulations require that sharp objects of any kind be stored inside your checked luggage, not your carry-on bag. You may be asked to put your shoes and/or coat through an X-ray scanner, so be prepared to remove them.

Tips for Long Flights

- » Wear loose-fitting clothing and comfortable shoes
- » Avoid caffeine, alcohol and carbonated drinks and drink plenty of water to stay hydrated
- » Alleviate ear pressure by chewing gum, yawning, swallowing or gently blowing your nose
- » Periodically walk up and down the aisle to stretch your legs and get blood circulating. You can also do a few isometric exercises while seated
- » Try to sleep during your overnight flight so you can acclimate to the local time more quickly
- » Avoid wearing contact lenses during your flight, as recirculated cabin air tends to dry them out

Late or Missed Flights

If you miss a flight, immediately advise an airline representative that you are a cruise guest bound for a specific location/date/time to meet your ship. If your flight is cancelled, await instructions from the airline regarding alternate travel arrangements. Typically airlines will do everything in their power to get you on the next available flight. Please refer to the phone numbers listed in your travel documents and advise the ship of any delays or changes to your schedule. These phone numbers are also listed in the CONTACT INFORMATION section beginning on page 47 of this booklet.

Delayed Baggage

Baggage can sometimes be delayed during air transport. Pack a change of clothing in your carry-on bag or your traveling companion's bag just in case. Place a copy of the hotel and ship contact info inside each piece of checked luggage, as this will help the airline locate you should your bags be delayed. Please note that it is the responsibility of the airline to deliver any delayed bags to you. Claims for reimbursement for delayed luggage should be submitted directly to the airline. Fill out a claim form at the appropriate airline desk before leaving the airport. If you need assistance later regarding your delayed luggage, please ask your Cruise Manager or local host to contact the airline for information.

EMBARKATION & DISEMBARKATION

Official embarkation time is 3 p.m. for all ships. This allows the staff and crew enough time to prepare your stateroom and have the ship ready for your cruise. If you arrive earlier, you may check your luggage on board and relax in the Main Lounge or explore the local area.

Official disembarkation time is 9 a.m. You may disembark earlier if the ship is moored in your final destination. You may disembark later provided you have vacated your stateroom and have checked out no later than 9 a.m.

DURING THE CRUISE

Reception

The ship's reception desk is open 24 hours a day. Should you need any assistance, simply stop by anytime or call from your stateroom by dialing 9.

Onboard Language

The official language on board is English. All staff, crew and local guides speak English and all announcements and lectures will be presented in English. Occasionally, a foreign language guide will be aboard for specific groups, but all important onboard communication (spoken or printed) will continue to be presented in English for the benefit of all guests.

Smoking

Smoking (including e-cigarettes) is not permitted anywhere inside the ship, only at the rear of the Sun Deck. For the safety and comfort of all guests on board, your cooperation in observing the no-smoking policy is greatly appreciated.

Ship Schedule

The ship departs promptly from each port in accordance with its cruising schedule. Safety Cards containing important contact information for the ship and your Cruise Manager are handed out prior to every excursion and will be collected upon return. The ship is unable to delay departure for guests who may not be on board. Unless you are on a shore excursion accompanied by an AmaWaterways guide, it is your responsibility to make your own way to rejoin the ship at a subsequent stop. Without limitation, AmaWaterways is not liable for any costs incurred if you miss the ship's departure for any reason.

Gratuities

Gratuities to your Cruise Manager and the ship's crew for services rendered are not included in your cruise fare. While the amount of these gratuities depends upon your degree of satisfaction, many guests have asked us for some general tipping guidelines. For good service, we recommend 3 Euros per guest/per day for the Cruise Manager and 12 Euros per guest/per day for the crew (to be divided among all ship personnel). It is also customary to tip a particularly good local guide with 1-2 Euros per guest/per tour. You may wish to tip your motor coach driver, too. Gratuities to your Cruise Manager and the ship's crew may be paid with credit card (charged in Euros) by adding them to your onboard bill, or with cash. Tips for local guides and motor coach drivers may only be paid with cash.

Please be advised that doing so will be at your own risk; AmaWaterways and its affiliates are not responsible for any injuries sustained for failing to heed these safety precautions. Carry-on bags, purses and other bulky items should be safely stowed in the overhead luggage racks or under your seat to keep the aisles clear. Please do not stow heavy items overhead. No guest or any valuable items should remain on the coach during stops. Take a moment to note all emergency exits and please be careful whenever entering and exiting the coach.

Guests may sign-up for our guided bicycle tours on board. Safety helmets are provided and must be worn by every participant. We also ask guests to please follow the safety instructions provided by our bike tour guides. Your Cruise Manager will provide more information and further instruction on board. Limited Edition Tours

Your river cruise itinerary includes a complimentary tour in nearly every port. In select cities, we also offer one or more alternative excursions known as Limited Edition Tours, unique shore excursions with a very specific focus. These special interest excursions, also complimentary, are ideal if you have already visited a certain destination or simply want to do something a little different.

Space may be limited on these tours, so if you are interested we encourage you to reserve a spot online (www.amawaterways.com/welcome-check-in) by completing our online cruise check-in at least 7 days prior to your departure. You will need your booking number and your reservation must be paid in full in order to pre-register. You may also sign up for these tours once aboard your ship, provided that space is still available. Please note that Limited Edition Tours may not be available on all itineraries.

Water Levels

In the event of fluctuating water levels on certain stretches of the river, it may be necessary to operate part of your planned itinerary by motor coach or to alter the daily program as determined by the ship's Captain.
