WINE CRUISES THROUGH EUROPE
2017 - 2018
Nothing turns an occasion into a celebration, sparks a conversation, or elevates a meal from ordinary to elegant quite like fine wine. That’s why AmaWaterways has expertly curated Wine Cruises that add a unique, epicurean dimension to our standard itineraries. Not only do you enjoy sightseeing in grand capitals and charming villages alike, you’ll be treated to special wine-related excursions in some of Europe’s most renowned wine regions. Wine tastings and exquisite food and wine pairings please the palate while exclusive tours provide insight into the different grape varieties harvested in each distinct region.

Every cruise is hosted by a qualified North American wine expert, who usually brings hand selected wines on board to serve with meals and tastings. Some wines come from the expert’s own winery and other varieties are sourced from local wineries located along the cruise itinerary.

Whether you are a wine connoisseur or simply indulge in a sip here and there, these cruises make for an exceptional experience. We hope to welcome you aboard soon.

Sincerely,

Rudi Schreiner  Kristin Karst  Gary Murphy
President  Executive Vice President  Vice President, Sales
Family-owned and operated, AmaWaterways has been a passion project for its founders since its creation in 2002. President Rudi Schreiner designed his first ship back in 1975 while sailing the Amazon for seven months. Since the completion of the Rhine-Main-Danube Canal in 1992, Rudi has been a driving force for river cruise travel—and for these efforts has been recognized as the “Most Innovative Cruise Executive” and has been presented the prestigious “Lifetime Achievement Award” by Cruise Lines International Association (CLIA).

Executive Vice President, Co-Founder and Co-Owner Kristin Karst brings extensive experience in luxury travel, river cruising and customer service to AmaWaterways. Rudi and Kristin partnered with Jimmy Murphy, a brilliant travel entrepreneur who built Brendan Vacations. His son Gary now carries on his father’s tradition in his role as Vice President of Sales. These families came together to create the premiere travel experience for AmaWaterways’ guests.

Our commitment to this unifying goal is what makes an AmaWaterways river cruise stand out from the rest. While we received the 2016 Cruise Critic Editors’ Picks Award for the “Best River Cruise Line” and were recognized as having the “Highest Rated River Cruise Ships in Europe” by travel authority Berlitz, we never rest on our laurels. AmaWaterways is always humbled by the wonderful accolades we receive, which underscore our whole-hearted dedication to the happiness of each and every guest who travels with us.

THE LUXURY OF MORE

As AmaWaterways has grown over the years, we have continued to focus on finding new ways to give our guests more—more experiences, more space and more choices. Our spirit of always looking at what’s next on the horizon is inspired by our President and Owner, Rudi Schreiner. His vision has led to many firsts—AmaWaterways was the first to offer twin-balcony (a French balcony and outside balcony) staterooms, include a specialty restaurant, carry a fleet of bicycles on board and offer a broad selection of tours.

Your river cruise with award-winning AmaWaterways will be a luxurious experience from start to finish. Customize how you explore Europe with a variety of included shore excursion choices. After a day of discovery, it’s time to return to your floating sanctuary. Instead of using available space to carry more guests, we chose to make your staterooms larger and provide more amenities. This way, you never feel crowded and there’s always a way to indulge, relax and rejuvenate.

No matter how you choose to spend your time, on board or ashore, you will have an unforgettable river cruise with AmaWaterways.

“AmaWaterways has helped to redefine European river cruising and spends considerably more on high-quality food ingredients and wine and on hotel crew service training than any other river cruise company.”

Membership is extended by invitation only to those possessing world-class culinary acumen. Simply stated, our onboard dining is truly outstanding.

The Chef’s Table specialty restaurant, a dining alternative to the Main Restaurant, offers a unique culinary experience at no additional charge. Join fellow guests at this intimate venue where the kitchen becomes part of the entertainment. Watch as your chef prepares a tasting menu with three appetizers, a sorbet intermezzo, three main courses and three decadent desserts—all paired with hand-selected wines.

Always insightful and entertaining, our wine hosts lead you through tastings and accompany you to local wineries and vineyards where you’ll learn first-hand from regional European experts the nuances of Old World traditional wine-making methods.

THE GARONNE, DORDOGNE AND GIRONDE ESTUARY

In the corner of southwestern France, the Garonne and Dordogne rivers merge together to form the Gironde Estuary that naturally divides the famous Bordeaux region into the Left and Right banks. One of the largest controlled wine regions in France, Bordeaux is made up of several sub-regions each with its own strictly governed appellation, unique climate and terroir. Unlike most wines around the world, the quality of Bordeaux wine is determined by these factors rather than the grape varietal. Bordeaux is acclaimed for its legendary red blends, though white blends from this region also make a big impression. The Left and Right banks of the river have different soil types that bring these exceptional blends to life.

TASTING NOTES

THE LEFT BANK: SAUTERNES AND MÉDOC
The flatter, gravelly lands of the Left Bank embrace the heat of the sun south of the Gironde, giving life to many rich red and sweet white blends like those of the Médoc and Sauternes regions.

THE RIGHT BANK: SAINT-ÉMILION
The limestone and clay soils of the Right Bank are perfect for Merlot, the most popular grape used as a base for blends in Bordeaux. Prestigious appellations like Bourg and Saint-Émilion produce some of the best Merlot based blends that are combined with Cabernet, and other grapes.

Bordeaux's perfectly carved countryside and historic landmarks will take your breath away.

THE SEINE RIVER

The curvy nature of the Seine River can be disorienting when you’re in Paris. Not to worry, just remember to face downstream, so you can tell the Left Bank from the Right. Our Paris & Normandy cruise itinerary is about as romantic as it gets, beginning with views of the art-inspiring “City of Light” that morphs into lush countryside and the historic Normandy Beaches. France’s second largest waterway allows us to sample some of the country’s most renowned champagne, ciders and Calvados.

The wine variety that instantly characterizes northern France comes from the Champagne region, about 90 miles east of Paris. These sparkling varieties produce a sweet effervescence and unparalleled quality that merit exclusive classification as the one-and-only wine known as Champagne. Another specialty drink found closer to the English Channel is Calvados, which comes from Normandy’s fruit-filled orchards. Made from over 170 apple (and pear) varieties, this rustic spirit is distilled twice and barrel-aged for at least two years before bottling. The result is a liqueur bursting with mainly complex flavors.

TASTING NOTES

DOM PÉRIGNON: A BENEDICTINE MONK & CHAMPAGNE

Contrary to popular myth, the Benedictine monk, Dom Pérignon, did not invent the “champagne method” for making sparkling wine. A cellar master at the Abbey in Hautvillers in northeastern France, Dom Pérignon was the first to blend grapes in such a way as to improve the quality of wines. His legacy endures in the form of a prestigious Champagne from Moët & Chandon, which bears his name.

Visit the Fécamp Monastery where you’ll be treated to its Benedictine elixir; travel along Normandy’s Cider Route to sample some of their famous cider and Calvados; and taste the famed bubbly beverage, Champagne, as you listen to the story about a monk named Dom Pérignon. Along Normandy’s dramatic Alabaster Coast lies the Fécamp Monastery. Originally developed by a Venetian monk, this mysterious elixir’s complex flavor profile is sure to delight those who try it.

CHÂTEAU DE BIZY: A TASTE OF NORMANDY

Inspired by the opulence of Versailles, the 18th-century Château de Bizy was constructed as a Royal Château. ### See More of France

Select departures may be combined with Colors of Provence (page 17).
THE RHÔNE RIVER

Besides providing captivating views of medieval towns and colorful landscapes, the Rhône River connects the dots between thousands of vineyards from Lyon to Avignon. Our Colors of Provence itinerary takes you through this prized wine-producing region in southeastern France, known across the globe as the Rhône Valley. You’ll also get to savor some delightful wines from the Beaujolais region just to the north, where the Rhône meets the Saône. The valley traces the path of the river for almost 150 miles, hypnotizing travelers with grape-covered vines gripping its steep sides. Since it’s so large, the climate varies greatly from north to south as does the soil and wine quality. Thus, the Rhône is divided at the town of Valence into two worlds of wine: the Northern Rhône and the Southern Rhône.

TASTING NOTES

THE NORTHERN RHÔNE

What the Northern Rhône lacks in terms of size, it makes up for with prestige. Its continental climate and granite soils fuel the exceptional quality achieved by the noble vines in this region. Syrah grapes, like those used in the famous Hermitage wines, are so impressive that it’s the only red grape variety allowed to be grown here. These full-bodied, rich, tannic wines can evolve for decades, enhancing their delicate notes.

THE SOUTHERN RHÔNE

A warmer climate is enjoyed in the Southern Rhône with hot summers and mild winters. The larger sub-region is responsible for nearly 95% of the entire region’s wine, including a wide range of everyday whites, rosés and Grenache-based red blends from the Côtes du Rhône appellation. The south also creates a variety of powerful, high-quality reds and whites in areas like Châteauneuf-du-Pape.

Stunning scenery and iconic sights are discovered at every turn as you journey along the Rhône River.
COLORS OF PROVENCE
14 DAYS • TRAVEL TO PARIS AND RETURN FROM BARCELONA OR REVERSE
3 NIGHTS IN PARIS, 7-NIGHT LYON TO ARLES CRUISE AND 3 NIGHTS IN BARCELONA

From romantic cities to foodie havens and artistic epicenters, this itinerary will enliven all of your senses. Begin with three nights in Paris before going to Lyon, France’s culinary capital. Savor the beauty of legendary vineyards and indulge in local vintages like Beaujolais, Côtes du Rhône, Hermitage and Châteauneuf-du-Pape. Epicurean travelers will relish the chance to become an expert in all things culinary: refine your Provencal cooking skills; go in search of the “Black Diamond” truffles; and learn how to pair chocolate with wine. Trace the steps of famous artists as you live out the “Artist’s Experience” in Arles, where Van Gogh was inspired to create many of his most famous works, including “Starry Night.” And let Barcelona cast its magical spell on you.

AVIGNON: DIAMOND OF THE KITCHEN
Truffles are a highly prized delicacy sometimes referred to as “the diamonds of the kitchen.” No man or machine can locate them, only specially trained dogs can detect their scent beneath the roots of certain types of trees such as oak, beech or hazel. On our truffle farm excursion you will take part in a most unique experience—an authentic truffle hunt.

LES BAUX: ART ON THE ROCKS
There’s nothing quite like a visit to the Carrières de Lumières—an impressive underground art show held at a limestone quarry near the town of Les Baux. You’ll be surrounded by color and light from every angle at this stunning visual exhibit, which brings famous paintings to life as they are projected against the rock faces of the quarry.

### MEET ONE OF OUR WINE HOSTS

**Dave Miner**
Owner

ENJOY TASTINGS OF PORT AND OTHER DOURO WINES
THE DOURO RIVER

Land near a river, and naturally protected by mountain ranges, inspired winemakers to plant vineyards along the Douro, but wild landscapes and nutrient-poor soil made this an extremely difficult task. The birthplace of Port wine would simply not exist today if it hadn’t been for the centuries of determined winegrowers who laboriously carved rows of vines into the steep, dramatic terrain. Angled, rocky terrain just so happens to be ideal for the growth of grapes. Over the years, the magnitude of Portugal’s Douro Valley wine region has grown remarkably and it is now divided into three parts. Our *Enticing Douro* itinerary cruises through all three sub-regions.

TASTING NOTES

**BAIXO CORGO**

Baixo Corgo lies closest to the Atlantic and has more than 33,000 acres of vineyards, yielding the largest cultivation of grape vines. The vineyards threaded through these extreme slopes give life to rich, tawny Ports, red and white table wines and sparkling Vinho Verde, which translates as “young wine.”

**CIMA CORGO**

Cima Corgo is home to a drier climate and proves to be the most fruitful region. The 50,000 acres of vineyards that cling to the Douro’s heartland produce remarkable, long-lasting table wines and Ports like those of the Vintage variety in Pinhão.

**DOURO SUPERIOR**

Douro Superior is the easternmost sub-region and has the driest conditions, slate-like soil and continental climate that gives life to some of the finest, most impressive Vintage Ports in all of Portugal.

The Douro Valley’s intense, vineyard-covered landscapes give life to the one and only Port wines.

MEET ONE OF OUR WINE HOSTS

**Michael Blaylock**
Director of Winemaking

Michael Blaylock of Quady Winery is arguably America’s foremost maker of dessert varietals. They also produce dry wine varietals including popular blend “Pistoleta,” a delightful mixture of Roussanne, Marsanne, Viognier and Grenache Blanc.
Wachau Valley
THE DANUBE

Brilliant architectural masterpieces and vine-strung hillsides on the Danube River have inspired artistic creations for hundreds of years. The *Romantic Danube* and *Melodies of the Danube* itineraries journey through Germany, Austria, Slovakia and Hungary, so you can experience some of the most celebrated wines and sights in Europe’s heartland.

Over 3,700 acres of terraced vineyards rise from Austria’s illustrious Wachau Valley. Located between the towns of Melk and Krems, this cooler-climate wine region brings a wide variety of refreshing, peppery white-grape wines to fruition. Grüner Veltliner is considered to be the most important grape in Austria. Grown in loess soils by the river’s edge, these favored wines offer aromatic stone fruit flavors reminiscent of the terroir. Riesling, the second most popular grape, loves rocky inclines, so it is extensively sewn into the rich hillside. Fruity notes and floral scents surface from these unique whites.

TASTING NOTES

**THE WACHAU VALLEY: GRAPES & APRICOTS**

The terroir and grape varieties of the Wachau Valley truly define the essence of its wine. So much so that the wines even utilize their own classification system, designed only for the Wachau. Of course, grapes aren’t the only fruit that grows here—as the region is equally famous for its apricots, which have received EU protection since 1996. Each spring, roughly 100,000 apricot trees begin to bloom, adding to the landscape’s aesthetic beauty. Everything from apricot jams and strudels, to apricot dumplings, to marmalades, schnapps and brandies are yours to savor.
Those longing for the romance of Old World Europe will get to travel into the very heart of the continent, where empires were built, kings and queens were crowned and some of the world’s greatest music was composed and performed by the likes of Mozart and Beethoven. Grand European cities like Prague, Vienna and Budapest forever remain timeless. Admire the beauty of Austria’s Lake District and the Czech Republic’s charming mountain town, Český Krumlov. From grand abbeys and fortresses perched high above the Danube to plentiful iconic UNESCO World Heritage Sites, your Danube cruise will be an unforgettable journey from beginning to end.

**SCHLOSS GOBELSBURG: A TASTE OF HERITAGE**

Austria’s Schloss Gobelsburg has a documented viticulture history dating back to the 12th century under the care of Cistercian monks from Burgundy. By 1996, the winery was passed to Michael Moosbrugger, who has preserved the winemaking heritage and legacy of the monks. The estate produces some of the greatest examples of Riesling and Grüner Veltliner wines in the world.

**THE MELK ABBEY: DIVINE DESIGN**

The Melk Abbey is one of Europe’s most revered monasteries with stunning architectural details, incredible frescoes and religious artifacts. The abbey also contains the remains of several of Austria’s first noble dynasty. Its world famous library houses roughly 100,000 volumes of priceless works, including numerous editions of the Bible – along with medieval books on theology, astronomy and history among others.

Rhine, Moselle and Main
THE RHINE, MOSELLE AND MAIN RIVERS

The Rhine along with its main tributaries—the Moselle and Main—have created a wine connoisseur’s paradise, which can be discovered on our Europe’s Rivers & Castles, Enchanting Rhine, Captivating Rhine and Rhine & Moselle Splendors itineraries.

The Upper Middle Rhine’s slate soil combined with a semi-continental climate have proven to be a recipe for wine-growing success for the Rheingau vineyards, yielding high-quality white wine varieties, and some fine reds. Germany’s Moselle River Valley yields some of the finest white wines ever produced due to its blue Devonian slate and quartzite soils. Alongside the Main River in eastern Germany, a wide variety of wines have been surfacing from Franconia due to its special soils and Mediterranean-like climate.

TASTING NOTES

THE ALSACE: A HIDDEN TREASURE
France’s Alsace region has been blessed with desirable conditions: ancient soils, noble grapes and an extraordinary climate. This region produces noteworthy dry Rieslings as well as highly aromatic Gewürztraminer wines and Crémant d’Alsace.

THE MOSELLE: GERMANY’S OLDEST WINE GROWING REGION
In Germany where Riesling reigns supreme, the sheer quality of the terroir and climate found along the Moselle is perfect for Riesling grapes. Many connoisseurs consider these wines to be amongst the finest white wines ever created.

Discover charming medieval villages, cosmopolitan cities and stunning scenery along the Rhine, Moselle and Main rivers.
EUROPE'S RIVERS & CASTLES
13 DAYS - TRAVEL TO PRAGUE AND RETURN FROM PARIS
2 NIGHTS IN PRAGUE, 7-NIGHT CRUISE NUREMBERG TO LUXEMBOURG AND 3 NIGHTS IN PARIS

Two iconic cities, Prague and Paris, bookend this perfect journey that combines three beautiful rivers, each of which is striking in its own unique way. From the meandering Main to the UNESCO-designated Upper Middle Rhine Valley with its multitude of castles dotting its shores to the vineyard-clad hills of the Moselle, enjoy Europe at its most picturesque. Let the storybook villages of Wertheim, Bernkastel and Cochem captivate you. Marvel at the world’s largest ceiling fresco in the Würzburg Residence and fall under Heidelberg’s spell, perfectly nestled in Germany’s Neckar River Valley. Savor the many flavors of Germany with a chance to sample world-famous wines. All along the way, gain an intimate understanding of the history, culture and culinary delights of the places you visit.

ITINERARY HIGHLIGHTS

WÜRZBURG RESIDENZ PALACE: HERITAGE AND WINE
The stunning UNESCO World Heritage Residenz Palace is the glittering jewel of Würzburg. Home to a treasure trove of magnificent art, including Tiepolo’s fresco ceiling, it’s also home to one of the world’s most beautiful wine cellars located beneath the Residenz. Wander through the atmospheric candlelit corridors and vaults of the cellar as you taste the wine of Franconia.

ZELL: CELEBRATE GOOD TIMES WITH GOOD WINE
There’s no party like a wine party. Enjoy live music, wine tasting, sausages and perhaps some dancing at the Zell Wine Festival, held exclusively for AmaWaterways. The charming town, which is known for incredible Rieslings and black cat imagery on their labels, puts on quite the party. Celebrate with local citizens, including Zell’s Wine Queen and Mayor.

ENCHANTING RHINE
12 DAYS - TRAVEL TO ZURICH AND RETURN FROM AMSTERDAM OR REVERSE
2 NIGHTS IN ZURICH, 2 NIGHTS IN LUCERNE AND 7-NIGHT BASEL TO AMSTERDAM CRUISE

Castles from ancient empires and steep vineyards sprout up from every angle, which makes cruising on the Rhine River feel like entering a scene out of a storybook. Wind through the Netherlands, Germany, France and Switzerland, diving deep into the history and wine regions of this vital waterway. Explore charming villages like Riquewihr as you sail along towards Strasbourg. Visit the historic university town of Heidelberg and continue cruising to Rüdesheim where you’ll be treated to a special wine tasting and vineyard tour by a local vintner. Enjoy an evening walk in Koblenz, and then cruise to Cologne where you’ll admire its imposing cathedral and enjoy a sample of the city’s famous Kölsch beer. Conclude your cruise in the vibrant city of Amsterdam.

RIQUEWIHR: THE GEM OF THE ALSACE
Tucked away between a wooded glen and protected from northern winds by the Vosges Mountains lies the medieval town of Riquewihr, considered one of the most beautiful villages in all of France. This quaint town is filled with colorful half-timbered houses painted red, green or bright yellow—some dating back to 15th century. Riquewihr has managed to retain its authentic character behind its iconic city walls.

RÜDESHEIM: SMALL TOWN, BIG PERSONALITY
Rüdesheim, located in the Rhine Gorge has a long history dating back to Roman times. While it is known for winemaking, especially Riesling, it’s also known for many other things including: the Drosselgasse, a lane lined with shops and restaurants; Siegfried’s Mechanical Music Cabinet, a museum with self-playing instruments; and Rüdesheimer coffee, ceremoniously made with brandy and whipped cream.

Contoured by stretches of vineyard-clad hills and castles from yesteryear perched high above its shores, the captivating Rhine stands out as one of the world’s most storied rivers. Experience the friendly allure of France’s Alsace region in its welcoming capital, Strasbourg, and its priceless gem, Riquewihr. Then there is Breisach, rising above the vineyards of the Rhine, and Freiburg, gateway to Black Forest. Fabled towns lost in time present you with the chance to taste local flavors—Alsatian and Rheingau wines, Rüdesheimer coffee and Kölsch beer—and to touch history up close with guided hikes and bike rides in Heidelberg and Cologne. From Amsterdam’s colorful canals to the majestic peaks of the Swiss Alps, journey into the heart and soul of the destinations you visit.

**COLOGNE: DO AS THE LOCALS DO**

Germany’s beautiful city of Cologne is a major cultural metropolis dating back more than 2,000 years. During your visit, not only will you tour the historic Old Town and see its twin-spired Gothic Cathedral, but you’ll also have a chance to try Kölsch beer at one of the city’s historic breweries. This unique golden-hued brew is considered Cologne’s distinct local beer.

**STRASBOURG: ALSATIAN WINE TASTING**

The Vosges Mountains provides Alsace with ideal wine making conditions. And as such, Alsatian wines are not only delightful on the palate, but they’re also highly praised for their fragrant aromas, ranging from bright and fruity to crisp and spicy. A visit to Alsace wouldn’t be complete without a tasting of some of the region’s most delicious and notable wines.

**ITINERARY HIGHLIGHTS**

**SCHWETZINGEN PALACE GARDENS: A DREAM COME TRUE**

Prince Elector Carl Theodor had a dream to make Schwetzingen Gardens the most beautiful castle gardens in the world. And he did just that by instructing the leading landscape architects and artists of the age to design the gardens. It’s an enchanting place that blends two very distinct styles—the French geometric influence and the more organic English landscape, into one castle garden that is beyond amazing.

**BERNKASTEL: “CITY OF VINE AND WINE”**

Bernkastel appears to have been lifted from the pages of a storybook with its charming cobblestone streets and attractions such as the historic market square and the Landshut Castle ruins. Bernkastel also has a legacy for wine-producing and its vineyards are among the oldest in all of Germany. You’ll get to savor the celebrated Moselle wines at Dr. Pauly Bergweiler’s Wine Estate.
