Best River Cruise Line
Best for Active Cruisers

Dear Valued Traveler,

At AmaWaterways, we believe in curating incredible epicurean experiences with our more than 60 exclusive “Celebration of Wine River Cruises.” Thrilling wine-themed river cruises provide a unique and delicious dimension to already enticing itineraries—at no additional cost. Specially designed to further immerse you into the glorious history of Europe’s renowned wine regions, including France’s Garonne, Dordogne, Rhône, Saône and Seine rivers; Portugal and Spain’s Douro River; and the heart of Europe’s rivers, the Danube, Rhine, Moselle and Main.

Each river cruise is hosted by a qualified North American wine expert, who usually brings hand-selected wines on board to serve during meals and tastings. Some wines come from the expert’s own winery and other varieties are sourced from wineries located along the river cruise itinerary. Join your Wine Host during an exquisite food and wine pairing dinner, interactive discussions and wine tastings on board; and, on shore, accompany them on exclusive and immersive excursions designed to provide insight into the different grape varieties harvested along these legendary rivers. Authentic encounters add to the rich tapestry of local culture, making for the most memorable experiences.

Whether you are a wine connoisseur or simply indulge in a sip here and there, come celebrate one of the world’s most perfect trifectas: travel, wine and elegant cuisine.

Sincerely,

THE MOSELLE RIVER VALLEY, GERMANY

DÜRNSTEIN, AUSTRIA

OUR STORY

AmaWaterways was founded in 2002 by three families, but our river cruise story began well before that. Co-Founder and President Rudi Schreiner was born in Vienna, at the heart of the Danube River. In 1975, as part of a journalism assignment, he designed his first ship, a raft he took along the Amazon River. Soon thereafter, he started working in travel, creating unique tour experiences in Europe.

“There are certain experiences in life that end up drawing you down a path you had never envisioned yourself taking. My Amazon River trip made me want to help more people discover the joy of traveling through a country by river – and creating AmaWaterways with Kristin and Jimmy made this dream a reality.” – Rudi Schreiner

When the Rhine-Main-Danube Canal was built in 1992, Rudi became a driving force in the river cruising industry. He later teamed up with Co-Founders Kristin Karst and Jimmy Murphy to start AmaWaterways. Born in Germany, Kristin brings extensive experience in travel, river cruising and customer service in her role as Executive Vice President. Rudi and Kristin partnered with Jimmy Murphy, a brilliant travel entrepreneur who built Brendan Vacations. His son, Gary, now carries on his father’s legacy in his role as Senior Vice President of Sales.

“Travel has been my life’s passion and my greatest source of inspiration and creativity. I am very proud of AmaWaterways’ success – it has taken grit, optimism and the insight to surround ourselves with really talented people who treat every new challenge as an opportunity to think differently and create something new that helps us stand out from the crowd.” – Kristin Karst

From the beginning, our goal was to create a river cruise company that we, ourselves, would enjoy. To us, that meant the highest-quality, locally sourced food and fine wine; innovative and elegantly appointed ships with staterooms offering maximum views to enjoy the ever-changing countryside; and a crew who goes above and beyond, treating every guest like they are part of OUR family.

“We are proud to represent a product and river cruise experience that is enjoyed by travelers of all ages. We are truly inclusive, not only in our product delivery and everything we include in our price, but also inclusive of all ages, ethnic backgrounds and family compositions.” – Gary Murphy

WINE TASTING, RÜDESHEIM VINEYARDS, GERMANY

CELEBRATION OF WINE

Celebrate wine as you toast your way through renowned vineyards uncovering the time-honored traditions of winemaking from the winemakers themselves—and taste the fruits of their labor. Discover the differences between a Moselle Riesling from Germany and an Alsatian Riesling from France on the *Rhine & Moselle Splendors* river cruise. Or be treated to an in-depth explanation of the differences between Bordeaux's Left Bank and Right Bank wines as you taste your way through Bordeaux. How about visiting the *Gems of Southeast Europe*, discovering centuries-old winegrowing regions dating back to the Romans?

PREMIER VINEYARDS AND CELLAR TOURS

One of the most delightful aspects of our Wine Cruises is visiting Europe's unique vineyards and wineries. Walk through France's Saint-Émilion and then visit the 14th-century Château de Montaigne, the former residence of French philosopher Michel de Montaigne. Visit the historic and majestic Burg Clam, located high above the nearby village of Clam, Austria. Or taste some of Hungary's revered Tokaji wines while in its Szekszárd region. These are only a few of the amazing places you will experience.

AUTHENTIC ENCOUNTERS

Authentic encounters add to the rich tapestry of local culture, always making for memorable experiences. Walk alongside artisans and vintners through the same fields in which their ancestors toiled. Learn how best to pair decadent chocolate with wine; discover how olives transform into the Mediterranean's prized nectar, olive oil; or be tempted by everything made from Austria's Wachau Valley apricots including jams, strudels and apricot brandy.

THE MAGIC OF WINE CRUISES

Ryan Levy and Ian Eastveld of Nice Winery are certified sommeliers, wine educators and Le Cordon Bleu-trained chefs. We interviewed Ryan about food, wine and how he creates magic and wonder for guests on board.

What are the best wines to toast a special occasion with?

You can never go wrong with a bottle of bubbles. Alsatian wines are also great. The bottles are tall and slender and evoke a feeling of celebration.

What's your go-to dish that has that "wow" factor?

Ian and I do a lot of collaborative cooking and what we're most famous for is braised beef short ribs made with our Malbec wine. Braising is a lost art of cooking, and using it with one of our favorite wines for makes a spectacular pairing.

How do you know when a wine will complement a dish?

Wine pairing is now driven more by flavor intensity than the protein. You can have red wine with fish, if the seasoning and preparation of the fish is powerful enough to stand up to the complexity of the red wine. One rule of thumb is to pair flavors of similar intensity together: light flavors with light-bodied wines and bold flavors with full-bodied, such as pairing our Nice Yakima Cabernet Sauvignon with a cowboy cut ribeye or a hunk of Maytag blue cheese.

INDULGE IN FINE WINE WITH EVERY LUNCH AND DINNER

THE PERFECT TRIFECTA

Whether you are a wine novice or a self-described oenophile with your own wine cellar, this is the perfect chance to indulge in one of the world's most perfect trifectas: travel, wine and elegant cuisine. A PERSONAL WINE HOST

On an AmaWaterways wine-themed river cruise, you'll be joined by one of our Wine Hosts—professional winery owners, winemakers, wine instructors and certified sommeliers from renowned North American wineries—who enthusiastically share their passion for wine with you. They'll lead you through wine tastings, interactive discussions and a food and wine pairing dinner on board. On shore, they'll join you on excursions to historic wine cellars, local wineries and iconic vineyards.

FOOD AND WINE PAIRING—A UNIQUE ART

A bite of food and a sip of wine intertwine to ignite your taste buds. But it's not just any wine; it is wine perfectly chosen to meld with the food on your plate and on your palate. Have fun learning how to tantalize your taste buds at a food and wine pairing dinner designed to heighten the relationship between the two. Rosemary-crust lamb? A clear match for Châteauneuf-du-Pape. Oysters on the half shell? Try a Loire white. Rich chocolate cake? Port is in order. Creamy French cheese? Pop open a bottle of bubbly.

The Danube's Dynamic Wine Regions

AUSTRIA'S UNESCO-DESIGNATED WACHAU VALLEY

THE DANUBE RIVER

Brilliant architectural masterpieces and vine-strung hillsides on the Danube River have inspired artistic creations for centuries, and now they will inspire you. Experience some of the most celebrated and dynamic wine regions in such places as Austria's illustrious Wachau Valley, Hungary's Szekszárd region and Belgrade's Senjak Hill.

TASTING NOTES

UNESCO-DESIGNATED WACHAU VALLEY

The Wachau Valley, a UNESCO World Heritage landscape located between Krems and Melk, is a true gem and probably Austria's most significant wine region. Grapes thrive in the characteristic weathered soils found in the terraced vineyards built centuries ago. The terroir and grape varieties of the Wachau Valley truly define the essence of its wines so much so that the wines even utilize their own classification system, designed only for the Wachau Valley. Grüner Veltliner is considered to be the most important grape in Austria. Grown in loess soil by the Danube River, these favored wines offer aromatic stone fruit flavors reminiscent of the terroir. Riesling, the second most popular grape, loves rocky inclines, so it is extensively sewn into the rich hillside. Fruity notes and floral scents surface from these unique whites.

HUNGARY: CLINK GLASSES LIKE ROYALTY

For centuries, Hungary has been home to some of the most prized wines on earth. Hungarian wines were the toast of Europe and the favorites of royal courts, who would clink glasses with revered Tokaji wine. Along the way, a vital national winegrowing tradition took root, strong enough to withstand the devastation of phylloxera in the 1880s, two world wars and 40 years of communist collectivization. Today, only 20 years after the re-establishment of private and family wineries, Hungary is in the midst of a wine renaissance with 22 historic wine regions, extending to all four corners of the country.

Immersive and authentic excursions deliver unique cultural experiences and offer a taste of local life.

◆ START | # OF NIGHTS HOTEL EXTENSION ☀ EMBARK ⚓ DISEMBARK

Those longing for the romance of Old-World Europe will get to travel into the very heart of the continent, where empires were built, kings and queens were crowned and some of the world's greatest music was composed and performed by the likes of Mozart and Beethoven. Grand European cities like Munich, Vienna, Bratislava and Budapest forever remain timeless. Admire the beauty of the Wachau Valley and visit one of Austria's greatest wineries, Schloss Gobelsburg. While there, taste some of the most superb examples of Riesling and Grüner Veltliner wines in the world. From magnificent abbeys and fortresses perched high above to plentiful iconic UNESCO World Heritage Sites, be romanced by the Danube River with all her regal and romantic splendor.

ITINERARY HIGHLIGHTS

SCHLOSS GOBELSBURG: A TASTE OF HERITAGE

Austria's Schloss Gobelsburg has a documented viticulture history dating back to the 12th century under the care of Cistercian monks from Burgundy. By 1996, the winery was passed to Michael Moosbrugger, who has preserved the winemaking heritage and legacy of the monks. Recognized by magazines such as *Wine Enthusiast* and *Wine & Food Magazine*, the winery has won numerous awards—including the influential Gault Millau's 2017 Sparkling Wine of the Year—and produces some of the greatest examples of Riesling and Grüner Veltliner wines in the world.

SCHLOSS GOBELSBURG, AUSTRIA

DÜRNSTEIN: THE PEARL OF THE WACHAU VALLEY

Dürnstein is celebrated for its vintages, its fairytale-like setting, incredible historical importance—and even apricots. It is home to the remarkable blue and white Stiftskirche church cloister tower—a striking Baroque masterpiece right on the banks of the river in the heart of the UNESCO-designated Wachau Valley. It is in Dürnstein that Richard the Lionheart was imprisoned, which originally put the village on the map. Of course, one of the most enjoyable ways to revel in the beauty of Dürnstein is with a sip of the region's superb wine and a taste of its famed apricots.

ITINERARY HIGHLIGHTS

THE MELK ABBEY: DIVINE DESIGN

The Melk Abbey is one of Europe's most revered monasteries with stunning architectural details, incredible frescoes and religious artifacts. The abbey also contains the remains of several members of Austria's first noble dynasty. Its world-famous library houses roughly 100,000 volumes of priceless works, including numerous editions of the Bible—along with medieval books on theology, astronomy and history among others. It's easy to understand why the Italian writer Umberto Eco drew inspiration from this site for his novel *The Name of the Rose*, in which a monastic library plays a key role.

MELK ABBEY LIBRARY, AUSTRIA

Let wine and song carry you along the melodious Danube River—a muse for musicians, artists and poets for centuries. Explore Prague, Vienna and Budapest, magnificent capital cities with storybook architecture and the tales to match. Visit Salzburg, the setting for the beloved film classic *The Sound of Music*, complete with a stop in Mondsee, home of the famed Basilica St. Michael where the movie's wedding scene was filmed. Indulge in the flavors of the region, from the delicate, apricot-scented wines of Austria's Wachau Valley to spicy Hungarian Kolbász sausages to the hearty Bavarian beer at a traditional Bavarian Oktoberfest in Vilshofen. Each bend and twist in the river affords new surprises just waiting to be discovered.

TRADITIONAL VIENNESE HEURIGERS: WINE AND SONG

Austria is the country of art and culture, Mozart and Beethoven, Vienna and Salzburg, Grüner Veltiners and Rieslings, lively coffee houses and equally lively and legendary Heurigers. These rustic wine taverns offer house-brewed vintages fresh off the vine and a cozy, unhurried atmosphere. Join fellow guests for a fun, festive and music-filled evening and discover what the Austrians call "Gemütlichkeit"—an all-encompassing sense of belonging, social acceptance and cheerfulness. Heurigers are the best place to see the famous Viennese spirit in action.

◆ START | # OF NIGHTS HOTEL EXTENSION ✨ EMBARK ⚓ DISEMBARK

From Vienna to Bucharest and countless treasures in between, touch history in Austria, Hungary, Croatia, Serbia, Bulgaria and Romania, as you sail along the lower Danube River. Celtic fortifications, medieval towns and grand cities, along with the natural beauty of pastoral landscapes and the Danube River's famed Iron Gates, showcase the best of eastern Europe. Wine connoisseurs will have a chance to taste history from the centuries-old winegrowing hills dating back to the Romans in Ilok, a royal and vinous town; in Belgrade's Senjak Hill; and in Hungary's Szekszárd region. Be treated to the flavors, sights, sounds and cultures of this diverse swath of the continent.

ITINERARY HIGHLIGHTS

PANAJOTOVIĆ WINE TASTINGS: WHERE OLD TRADITIONS AND EXCELLENT WINE ARE PRESERVED

Descend underground to the Roman-era passages beneath Belgrade's Senjak Hill, which boast the ideal temperature for storing and serving the wines of Cellar Panajotović, owned by the Panajotović family for over 90 years. There beneath the city, illuminated only by candlelight, you'll delve into the complexities of Traminer, Sauvignon Blanc, Merlot and Cabernet Sauvignon as well as the family's most popular blend, a semi-sweet white known as Šeherezada.

CELLAR PANAJOTOVIĆ, BELGRADE

SZEKSZÁRD WINE TASTING: A WINE CULTURE DATING BACK TO ROMAN TIMES

Savor a spicy red derived from the renowned Kadarka grape while gazing upon the vines of South Hungary's Szekszárd region, also known as the Great Hungarian Plain. Though off the beaten path, Szekszárd has a time-honored tradition of winemaking—in fact, grapes have been featured on its coat of arms since the 18th century. Award-winning Cabernet Sauvignons, Cabernet Francs and Merlots even inspired such legendary musicians as Franz Schubert and Ferenc Liszt.

MEET OUR WINE HOSTS

Earl & Hilda Jones

Abacela Vineyards and Winery
Roseburg, Oregon

It started with a chance encounter—a bottle of Pouilly-Fuissé—and resulted in the first award-winning Spanish varietal winery in America. As a research physician-immunologist, Earl used his research skills to produce America's first internationally acclaimed Tempranillo wine. While Earl's dream was to make great wine, Hilda's was to live on a farm and help Earl follow the dream that became Abacela Winery.

CELEBRATE HUNGARY'S CENTURIES-OLD WINE TRADITIONS

Three Legendary Rivers

VINEYARDS ALONG THE RHINE RIVER, GERMANY

THE RHINE, MOSELLE AND MAIN RIVERS

The Rhine, Moselle and Main rivers have created a wine connoisseur's paradise, which can be discovered on several AmaWaterways itineraries.

TASTING NOTES

THE RHEINGAU: RICH IN HISTORY AND TRADITION

One of the most distinguished wine regions in the world, Germany's Rheingau is rich in history and tradition, as well as one of the most geographically specific wine regions, with the Rhine River running on the south side and the Taunus Mountains along the north. Due to its location and slate soil, combined with a semi-continental climate, it is the ideal place for the delicate Riesling and Pinot Noir grape varieties.

THE MOSELLE: GERMANY'S OLDEST WINE GROWING REGION

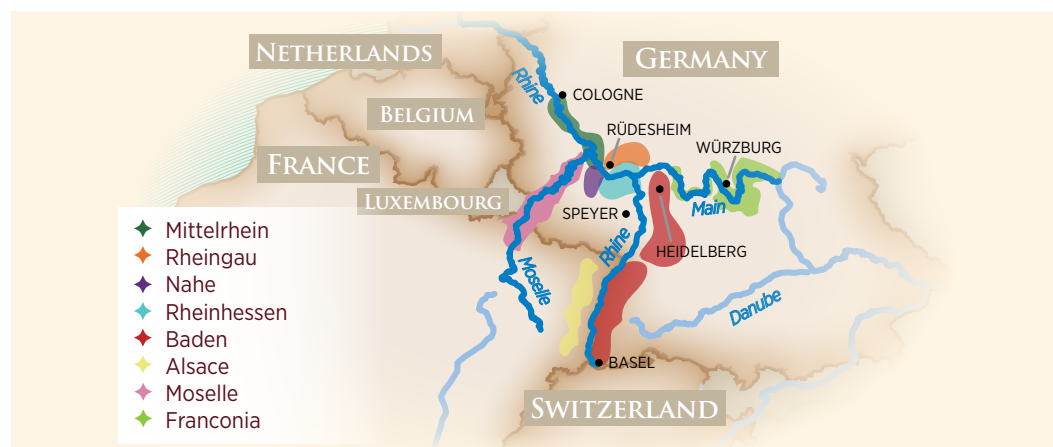

In Germany, where Riesling reigns supreme, the sheer quality of the terroir and climate found along the Moselle River is perfect for Riesling grapes. Many connoisseurs consider these wines to be among the finest white wines ever created.

FRANCONIA: WINERIES OUTNUMBER BREWERIES IN FRANCONIA'S FAIRYTALE TOWNS

There is more to Bavaria than beer—there is also Franconian wine. Among the white wines that make up 80% of total production, the star is Silvaner, a dry varietal that thrives in the area's limestone soil. Another unmistakable indicator is the bottle in which it is stored: the stout and curvaceous *bocksbeutel*, which has been used since before the Middle Ages.

FRANCE'S ALSACE: A HIDDEN TREASURE

France's Alsace region has been blessed with desirable conditions: ancient soils, noble grapes and an extraordinary climate. This region produces noteworthy dry Rieslings as well as highly aromatic Gewürztraminer wines and Crémant d'Alsace.

Discover charming medieval villages, cosmopolitan cities and stunning scenery along the Rhine, Moselle and Main rivers.

ITINERARY HIGHLIGHTS

COCHEM MUSTARD MILL: ONE OF THE OLDEST IN EUROPE

The origin of the Cochem Mustard Mill, Historische Senfmuehle, dates back to the 18th century and is among Europe's oldest. Over the centuries, the mill was sold to various parties; however, it wasn't until May 1, 2001 when the mill re-opened after being lovingly restored and technically overhauled by the current owners. Today, the old mustard mill produces nine flavors of cold-ground gourmet mustard dating back to the 15th century. Their philosophy is "class instead of mass," and their gourmet mustard is as unique as the people who make it.

COCHEM MUSTARD MILL, GERMANY

JULIUSSPITAL WINE ESTATE: THE SECOND LARGEST WINE ESTATE IN GERMANY

Built in 1576 as a hospice for the sick and poor, Juliusspital has grown into one of Germany's largest wine estates. Wine is their passion and the wine's quality starts on the vine. They cultivate through sustainable viticulture with "gentle pruning" and strict yield reduction. It's the complete opposite in the cellar: "controlled idleness"—preserving and carefully forming what nature gave them. It is an honor for them to own and maintain the best and most unique location in Franconia.

MEDIEVAL TREASURES

14 Nights | 2 nights Zurich, Switzerland, 2 nights Lucerne, 7-night Basel to Nuremberg, Germany cruise and 3 nights Prague, Czech Republic

◆ START | # OF NIGHTS HOTEL EXTENSION ⚙ EMBARK ⚓ DISEMBARK

Zurich and Lucerne provide the perfect starting point to this incredible cruise along the romantic Rhine and peaceful Main rivers. Walk through thousands of years of history in the medieval towns of Rothenburg, Bamberg and Miltenberg. Revel in the architectural gems on display—the Würzburg Residenz and Mannheim Baroque Palace. Indulge your inner child with visits to Siegfried's Mechanical Musical Instrument Museum and the Speyer Technical Museum. Taste the flavors of the Alsace, Rheingau and Franconian wine regions as well Bamberg's famous smoked beers and Prague's iconic Pilsner. All this and more awaits you as you experience the many medieval treasures of Europe.

ITINERARY HIGHLIGHTS

RÜDESHEIM: A TOWN STEEPED IN WINE MAKING HISTORY

Rüdesheim, located on the northern banks in the winegrowing region of Germany's Rheingau, offers the perfect climate for growing wine and, as such, was first settled by Celts, followed by the Romans in the 1st century, who brought with them their wine making knowledge. The excellent climate is complemented by an extraordinary diversity of soils. Add in the highly trained winemakers, who take responsibility for preserving the area's essential traditions, and you'll understand why people from all over the world come to the steep vineyards of Rüdesheim.

EXPLORING VINEYARDS, RÜDESHEIM, GERMANY

ROTHENBURG: AN INSPIRATION TO DISNEY

A visit to the medieval walled Bavarian town of Rothenburg is a delightful, real-world romp into your favorite fairytale classics. Indeed, the city has inspired not only the village in the Disney classic *Pinocchio* but also centuries of other artists and filmmakers. Back in its Middle Ages glory days, the town looked basically the same as it does today—and that's part of the allure. Once the epitome of 'Old German' architectural chic at least as far as medieval towns go, it has often been hailed as a perfect example of the old German culture.

Dan graduated with a BSEE/MSEE degree from MIT and spent the early part of his career developing state-of-the-art semiconductor fabrication technologies for Hewlett-Packard in Fort Collins, Colorado. In search of warmer weather, Dan made his move to California. A love for wine started Dan on a journey that took on a life of its own. Drinking wine led to learning about wine, to making wine as a home winemaker and to planting 200 vines in his backyard. By 2005, he and his wife Ellen fell in love with the Santa Rita Hills region, purchased a 40-acre parcel and planted a 30-acre vineyard.

LUCERNE: A STORYBOOK SWISS TOWN

Lucerne abounds in narrow cobblestone streets, slender spires and turrets, covered bridges, frescoed houses and fountains. Its lake, the fourth largest in Switzerland, is simply stunning, with the tops of the snowcapped Alps glistening on it all year round. The Chapel Bridge, a charming covered footbridge over the Reuss River, is the world's oldest covered wooden bridge, dating back to the year 1332, and is the symbol of Lucerne. The bridge is also unique as it contains a number of interior paintings dating back to the 17th century.

CAPTIVATING RHINE

13 Nights | 2 nights Amsterdam, Netherlands, 7-night Amsterdam to Basel, Switzerland cruise, 2 nights Lucerne and 2 nights Zurich

◆ START | # OF NIGHTS HOTEL EXTENSION ⚓ EMBARK ⚓ DISEMBARK

Contoured by vineyard-clad hills and castles from yesteryear, the legendary Rhine captivates. Experience the allure of France's Alsace region in its welcoming capital, Strasbourg, and its priceless gem, Riquewihr. Discover Breisach, rising above the vineyards of the Rhine River, and Freiburg, one of Germany's sunniest cities and gateway to the Black Forest. Fabled towns lost in time present you with the chance to taste local flavors—Rüdesheimer coffee, Kölsch beer, and Rheingau and Alsatian wine—and to touch history up close with guided hikes and bike rides. From Amsterdam's colorful canals to the majestic Swiss Alps, journey into the heart of the destinations you visit.

ITINERARY HIGHLIGHTS

FREIBURG AND WINE TASTING

Located on the edge of the Black Forest, Freiburg is straight out of a fairytale with gabled townhouses, cobblestone lanes and a café-rimmed plaza. It's also blessed with 2,000 hours of annual sunshine, making this Germany's warmest city. Enter Freiburg from one of two medieval gates—the Martinstor, site of witch burnings in 1599, or the Schwabentor, with its tiny museum—each featuring a charming clock tower. Afterwards, sip a velvety Pinot and become one of the *Viertelerschlotzter*, a name the locals have affectionately given to wine connoisseurs.

WINE TASTING, GERMANY

RÜDESHEIMER KAFFEE: COFFEE WITH A KICK

Why just settle for a regular cup of coffee when you can indulge in Rüdesheimer coffee when in the beautiful town of Rüdesheim? Already long known for its terraced vineyards along one of the most scenic parts of the Rhine River, Rüdesheim's Hans Karl Adam, a famous German TV chef, invented this specialty coffee in 1957. Hot, black coffee mixed with Asbach brandy, and then ceremoniously served with thickly whipped cream, vanilla sugar and a splattering of dark chocolate shavings on top—is a coffee that will keep you up all night and then some.

◆ START | # OF NIGHTS HOTEL EXTENSION ⚙ EMBARK ⚓ DISEMBARK

Grand cities blend in perfect harmony with their historic past and their progressive future. Zurich's medieval period offers a striking backdrop to its trendy and ultra-modern metropolis. And Amsterdam's Golden Age melds seamlessly with its lively cafés, exciting nightlife and glorious museums. Inspirational towns have given way to great stories, poetry and music, like Heidelberg, where Mark Twain wrote *A Tramp Abroad*. Timeless traditions remain intact—from the making of Kölsch, Cologne's legendary brew, to the creation of Rudesheimer coffee. Take a front-row seat on an enchanting journey that takes you along the Rhine River and through its UNESCO World Heritage Site.

ITINERARY HIGHLIGHTS

RIQUEWIHR: THE GEM OF THE ALSACE

Tucked away between a wooded glen and protected from northern winds by the Vosges Mountains lies the medieval town of Riquewihr, right in the heart of the Alsatian vineyards and considered one of the most beautiful villages in all of France. This quaint town is filled with colorful half-timbered houses painted red, green or bright yellow—some dating back to 15th century. For centuries, this magnificent town has managed to combine the quality of its architecture with the quality of its world-famous wines, from where it gets its nickname, "The Gem of the Alsace Vineyards."

RIQUEWIHR, FRANCE

STRASBOURG: HOME TO THE OLDEST WINE ON EARTH?

France's picturesque town of Strasbourg is home to exquisite Alsatian wines and possibly the oldest wine in the world. Resting in an old cellar underneath the Hospices de Strasbourg is a wine that has been around since before Columbus sailed the ocean blue in 1492. Experts have taken samples over the years with modern analysis tools, so they could find out what type of wine it was, and they discovered it is a white Alsatian wine with a 9.4 percent alcohol content, a complex nose and flavorful aromas that include eucalyptus, clove, coconut and thyme.

From Prague, the “City of Spires,” to the heartland of Germany along the Rhine and Main rivers and to cosmopolitan Amsterdam, you’ll get an up-close look at magnificent castles, medieval towns and forever-inspiring cities. Get lost in the chivalric atmosphere of Nuremberg’s Kaiserburg Castle, representative of the thousands of fortresses that dotted Germany’s landscape in the Middle Ages. Marvel at an immaculate example of Baroque architecture at the UNESCO-designated Würzburg Residenz. Savor the storybook atmosphere of some of Europe’s most charming towns, Wertheim and Rudesheim; and along the way, get swept up in the many treasures just waiting to be discovered along the Rhine and Main rivers.

ITINERARY HIGHLIGHTS

LAHNECK CASTLE: A CLASSIC EXAMPLE OF THE CASTLES OF RHINE ROMANTICISM

Lahneck Castle was built in 1244 for the Prince-Bishop of Mainz, one of Germany’s most powerful landowners; however, in 1907, it was bought by the Mischke family and has been privately owned ever since. The castle is a combination of medieval architecture and 19th-century neo-gothic additions. The chapel, the knight’s hall and the servants’ kitchen still tell a story about life in a medieval castle, no matter what modifications have been made throughout the centuries. Today, experience the castle’s eerie charms with a candlelight tour.

WERTHEIM: ONCE A ROYAL CAPITAL IN THE MIDDLE AGES

Travel back in time to a quintessential romantic town where heartfelt hospitality can be felt everywhere—from the local pretzel maker to resident glassmakers. Once a royal capital in the Middle Ages, Wertheim is home to narrow alleyways, picturesque courtyards and unique half-timbered houses. Iconic sites include the town’s 12th-century castle, one of the most imposing stone castles in Southern Germany and Old Town; and the enchanting “Wertheim Glass Museum,” offering over 3,000 years on the history of glass.

MEET OUR WINE EXPERT

Susanne Sapier
Owner, Vineyard Grant James
Ramona, CA

Susanne Sapier has always had a passion for good wine and great fun. In 2008,

Susanne purchased a property in the inland San Diego County town of Ramona, California to start a vineyard. Just three weeks later, the first vines were planted. By 2011, sufficient quantities of her estate-grown grapes were ready to make the first year's production of Vineyard Grant James wines. Named after her son Grant and father James, this family-owned winery is rapidly growing by reputation and word-of-mouth. In 2017, *Travel + Leisure* magazine named Vineyard Grant James the #2 winery in the USA by visitor popularity; high praise indeed.

Drink in the beauty, history and flavor of the Rhine and Moselle river valleys' iconic vineyards. Begin your journey with a gentle ride through Amsterdam's legendary canals, then head to Cologne where you can whet your palate for the wines ahead by tasting Kölsch beer. As for the vineyards, you'll soar above them by gondola or hike among the grapes in Rudesheim and sip wines in Bernkastel as well, learning the legend of the Bernkasteler Doctor. And let history come to life at both the Reichsburg and Lahneck castles. Whatever you choose to do ashore, the stories you're told and flavors that grace your palate will surely transform you.

ITINERARY HIGHLIGHTS

BERNKASTEL: HOME OF THE BERNKASTELER DOCTOR

Bernkastel is a storybook town in the Moselle River Valley with a charming story to match. Its renowned vineyard, Bernkasteler Doctor, was named after a 14th-century winegrower whose medical experience was nil. Rather, he was a humble man who, upon hearing the Elector of Trier had fallen ill at Landshut Castle, brought him his finest wine, claiming it had chased off several of his own maladies. After swallowing some of the natural elixir, the Elector was cured. Thrilled with the result, the Elector proclaimed the vineyard should be known as Bernkasteler Doctor, after the "doctor."

MAINZ: SOMETHING FOR EVERYONE

Founded by the Romans more than 2,000 years ago, Mainz has a rich cultural heritage. During the 15th century, Johannes Gutenberg revolutionized printing by inventing the moveable metal type technique. His legacy lives on at the museum named after him, which includes a copy of the Gutenberg Bible. Mainz is also home to one of Germany's most important Catholic churches, the Romanesque Mainz Cathedral, as well as St. Stephen's Church with its astonishing blue Chagall windows featuring 18 separate shades of blue.

MEET OUR WINE HOSTS

Nicholas & Cindy Palumbo
Owners & Winemakers
Palumbo Family Vineyards, Temecula, CA

Nicholas Palumbo, passionate viticulturist and budding oenologist, believes in producing only what he grows himself. "I believe there are only two basic ingredients in making fine wines, the fruit itself and the barrels it ages in." With one foot in modern techniques and the other foot firmly planted in tradition, the wines produced possess a depth and elegance that is becoming harder to find in California wines. The winery has been in operation for 17 years and is a California Certified Sustainable Winery and Vineyard.

Expand your imagination in fairytale villages—Cochem, Bernkastel, Rüdesheim and Riquewihr—where folklore and history come alive and half-timbered houses line medieval lanes. Whimsical fantasies abound at Siegfried's Mechanical Musical Instrument Museum and Schwetzingen Palace Gardens. Let the many flavors of the regions tantalize your taste buds, including the famous wines from Germany's Rheingau and Moselle valleys, and France's Alsatian and Champagne regions. From the breathtaking river less traveled, the Moselle River, to the legendary Rhine River, this splendid journey is rich with unique blends of cultural heritage and memorable sites.

* New in 2021, Champagne region pre-cruise land extension can be taken in lieu of 3 nights pre-cruise in Paris.

ITINERARY HIGHLIGHTS

SCHWETZINGEN PALACE GARDENS: A DREAM COME TRUE

Prince Elector Carl Theodor had a dream to make Schwetzingen Gardens the most beautiful castle gardens in the world. And he did just that by instructing the leading landscape architects and artists of the age to design the gardens. It's an enchanting place that blends two very distinct styles—the French geometric influence and the more organic English landscape—into one castle garden that is beyond amazing. Some garden buildings of exceptional quality were added in the late 18th century: a Temple of Apollo, a ruined Roman Aqueduct and a Temple of Mercury.

SCHWETZINGEN PALACE AND GARDENS, GERMANY

CHAMPAGNE: A UNESCO WORLD HERITAGE SITE

The Champagne region is listed as a UNESCO World Heritage Site. In Reims, a world exists below the city with tunnels and caverns, where famous Champagne houses like Mumm and Veuve Clicquot age their bottles. Travel along the Champagne Wine Route and discover Epernay, the capital of the Champagne region and home to many of the most renowned Champagne producers, including Moët & Chandon. You'll also visit Hautvillers, the "Birthplace of the Champagne" wine. Some believe that Dom Perignon, a Benedictine monk, discovered how to produce the first Champagne wine.

“The Art of Blending”

MEET THE WINEMAKERS

BORDEAUX'S GARONNE AND DORDOGNE RIVERS AND GIRONDE ESTUARY

In the corner of southwestern France, the Garonne and Dordogne rivers merge together to form the Gironde Estuary that naturally divides the famous Bordeaux region into the Left and Right banks. One of the largest controlled wine regions in France, Bordeaux is made up of several sub-regions, each with its own strictly governed appellation, unique climate and terroir. Unlike most wines around the world, the quality of Bordeaux wine is determined by these factors rather than the grape varietal. Bordeaux is acclaimed for its legendary red blends, though white blends from this region also make a big impression. This “art of blending”—a centuries-old tradition that has been passed down and perfected by generations of vintners—sets Bordeaux apart from many other winegrowing regions of the world, where only one or two varieties fare well in the soils and general climate. The Left and Right banks of the river have different soil types that bring these exceptional blends to life.

TASTING NOTES

THE LEFT BANK: SAUTERNES AND MÉDOC

The flatter, gravelly lands of the Left Bank embrace the heat of the sun south of the Gironde, giving life to many rich red and sweet white blends like those of the Médoc and Sauternes regions.

THE RIGHT BANK: SAINT-ÉMILION

The limestone and clay soils of the Right Bank are perfect for Merlot, the most popular grape used as a base for blends in Bordeaux. Prestigious appellations like Bourg and Saint-Émilion produce some of the best Merlot-based blends that are combined with Cabernet and other grapes.

Bordeaux's perfectly carved countryside and historic landmarks will take your breath away.

DELIGHT IN THE FLAVORS OF THE REGION

The Many Flavors of Normandy

APPLE HARVEST FOR CIDER AND CALVADOS

THE SEINE RIVER

The curvy nature of the Seine River can be disorienting when you're in Paris. Not to worry, just remember to face downstream, so you can tell the Left Bank from the Right. Our *Paris & Normandy* and new *Impressions of the Seine* itineraries are about as romantic as they get, beginning with views of the art-inspiring "City of Light" that morphs into lush countryside and the historic Normandy Beaches. France's second largest waterway allows you to sample some of the country's most renowned Champagne, Calvados and cider.

The wine variety that instantly characterizes northern France comes from the Champagne region, about 90 miles east of Paris. These sparkling varieties produce a sweet effervescence and unparalleled quality that merit exclusive classification as the one and only wine known as Champagne. Another specialty drink found closer to the English Channel is Calvados, which comes from Normandy's fruit-filled orchards.

TASTING NOTES

DOM PÉRIGNON: A BENEDICTINE MONK & CHAMPAGNE

Contrary to popular myth, the Benedictine monk, Dom Pérignon, did not invent the "Champagne method" for making sparkling wine. A cellar master at the Abbey in Hautvillers in northeastern France, Dom Pérignon was the first to blend grapes in such a way as to improve the quality of wines. His legacy endures in the form of a prestigious Champagne from Moët & Chandon, which bears his name.

CALVADOS: LIQUID GOLD

The Pays d'Auge region of Normandy is home to apple orchards with bittersweet fruits to be pressed, fermented and distilled into a golden liquid—Calvados brandy, an amber-hued, glossy liqueur that's renowned for its sweet aroma and smooth, layered flavor. Made from over 200 apple (and pear) varieties, this rustic spirit is distilled twice and barrel-aged for at least two years before bottling. Once the cask is opened the drink demands the care of an expert distiller. Younger Calvadoses are fierier but the distiller knows better as he tames them down by ladling older ones to them, giving the final drink character.

Ignite your palate with delicious Champagne and Calvados from Northern France.

ITINERARY HIGHLIGHTS

CHÂTEAU DE HARCOURT ARBORETUM: ONE OF THE RICHEST TREE GARDENS IN EUROPE

The 30-acre Arboretum of Harcourt is one of the richest as well as the oldest in France. The owner, Louis-Gervais Delamarre had a love of trees that spurred his desire to plant trees at Harcourt in 1802. Before he died, he was desperate to protect his beloved forest for the future to enjoy, so he made a will and signed his entire life's work to the only people he knew who would really appreciate his trees, the *Société Royale d'Agriculture*. The age and diversity of trees at Harcourt make it a unique botanical collection.

CHÂTEAU DE HARCOURT ARBORETUM, FRANCE

Discover both the popular sites and hidden gems of Paris as well as sites memorialized by famous Impressionist painters along France's Seine River. Meander through Monet's gardens; the romantic gardens of Château d'Acquigny; the Italian Renaissance garden of Château d'Ambleville; and Château de Harcourt Arboretum, one of the richest tree gardens in Europe. Indulge in Norman chocolate, cheese and cider and enhance your best self on guided bike tours through charming cities like Les Andelys. Plus, revel in the opportunities to explore the walled city of St. Malo and the magical island monastery of Mont St. Michel. This all-encompassing cruise and land adventure is sure to conjure beautiful memories and dreams for years to come!

CHÂTEAU D'ACQUIGNY AND GARDENS: THE CASTLE OF LOVE

The Renaissance Château d'Acquigny belongs to an exceptional Norman heritage. Its design was inspired by the eternal love of Anne de Laval, a member of the prestigious Montmorency family, for her husband, Louis de Silly, Lord of Roche-Guyon. The architect built a house on the plan of four initials intertwined with the names of the happy couple which is inscribed in the castle's crest. The romantic park with waterfalls large and small, stepping stones, bridges and canals, and water that babbles on every side, provides a haven of peace and harmony.

Monet's Gardens and the charming harbor town of Honfleur will inspire you the same way as they inspired the great Impressionists. For inspiration of a different kind, travel the "Routes des Abbayes," visiting some of the most magnificent monasteries, and to the unforgettable beaches of Normandy where Allied forces landed during WWII's D-Day invasion. Relive the grandeur of royalty at Château de Bizy, once referred to as "the Versailles of Normandy," and taste your way through Northern France, sampling local wines, apple cider, Calvados, pommeau, French cheeses and macarons for an authentic epicurean adventure.

ITINERARY HIGHLIGHTS

FÉCAMP MONASTERY: A HEAVENLY ELIXIR

Along Normandy's dramatic Alabaster Coast lies the Fécamp Monastery, a beautiful and fascinating place. It is there that 19th-century wine merchant Alexandre Le Grand rediscovered the recipe for a special elixir—a medicinal herbal liquor known as la Bénédictine. Originally developed by a Venetian monk and alchemist Dom Bernado Vincelli, this mysterious elixir is heavenly with a distinct, intensely sweet taste from its mix of herbs, roots and sugar, and is sure to delight those who try it. In fact, Fécamp is the only place in the world where Bénédictine is made.

THE PARIS WINE MUSEUM: A HIDDEN GEM FOR WINE LOVERS

Located in the heart of the city, Paris's Wine Museum is housed in what used to be crude limestone quarries that were mined between the 13th and the 18th centuries to supply the stones used to build Paris. The three vaulted cellars, which today house the Wine Museum restaurant, were used in the 16th and 17th centuries by the Friars of Passy Monastery for storing their wine. The museum's permanent collection contains more than 2,200 items and has been under the ownership of the Echansons Council of (Le Conseil des Echansons de France) since 1984.

MEET OUR WINE HOSTS

Rob & Paula Campbell-Taylor
Owners, Graveyard Vineyards
San Miguel, CA

This highly acclaimed California winery began from a dream that owners Rob and

Paula had of owning property in the country to raise their two young sons. After searching the California coast, they discovered an 81-acre property on the top of a hill past a little country graveyard dating back to 1865. The property had everything on their list of "must haves," including an existing vineyard. The biggest find, though, came soon after when they discovered and hired their winemaker, Jason Bushong. What started with 184 cases bottled in 2006 is now an award-winning winery and tasting room with direct to consumer sales of 5,000 cases per year to a wine club of over 2,000 people.

HARVESTING GRAPES, BURGUNDY, FRANCE

THE RHÔNE & SAÔNE RIVERS

Besides providing captivating views of medieval towns and colorful landscapes, the Rhône and Saône rivers connect the dots between thousands of vineyards. Our *Colors of Provence* and new *Essence of Burgundy & Provence* itineraries take you through these prized wine-producing regions in southeastern France.

TASTING NOTES

THE NORTHERN RHÔNE: SYRAH

What the Northern Rhône lacks in terms of size, it makes up with prestige. Its continental climate and granite soils fuel the exceptional quality achieved by the region's noble vines. Syrah grapes, like those used in the famous Hermitage wines, are so impressive that it's the only red grape variety allowed to be grown here. These full-bodied, rich, tannic wines can evolve for decades, enhancing their delicate notes.

THE SOUTHERN RHÔNE: GRENACHE

A warmer climate is enjoyed in the Southern Rhône with hot summers and mild winters. The larger sub-region is responsible for nearly 95% of the entire region's wine, including a wide range of everyday whites, rosés and Grenache-based red blends from the Côtes du Rhône appellation. The south also creates a variety of powerful, high-quality reds and whites in areas such as Châteauneuf-du-Pape.

THE BEAUJOLAIS WINE REGION

The Beaujolais wine region is located north of Lyon and covers parts of the northern Rhône Valley and the Saône-et-Loire in Burgundy. While the Beaujolais wine region is administratively considered part of the Burgundy wine region, the climate is closer to the characteristics of the Rhône wine region and the wine is unique enough to be considered separately from the Burgundy wine region or the Rhône wine region. The Beaujolais wine region is best known for the Beaujolais Nouveau wine that is released annually on the third Thursday of November, when once a year, within weeks, nearly half of the Beaujolais Nouveau crop is pressed, fermented, racked, fined, filtered, sold and drunk.

Stunning scenery and iconic sights are discovered at every turn as you journey along the Rhône River.

THE INSPIRING LAVENDER FIELDS OF PROVENCE, FRANCE

The World's Oldest Wine Region

PORTO, PORTUGAL, GATEWAY TO THE DOURO RIVER VALLEY

THE DOURO RIVER

Land near a river, naturally protected by mountain ranges, inspired winemakers to plant vineyards along the Douro River, but wild landscapes and nutrient-poor soil made this an extremely difficult task. The birthplace of Port wine would simply not exist today if not for the centuries of determined winegrowers who laboriously carved rows of vines into the steep, dramatic terrain. Angled, rocky terrain just so happens to be ideal for the growth of grapes. Over the years, the magnitude of Portugal's Douro Valley wine region has grown remarkably, and it is now divided into three parts. Our *Enticing Douro* and *Flavors of Portugal & Spain* itineraries cruise through all three sub-regions.

TASTING NOTES

BAIXO CORGO

Baixo Corgo lies closest to the Atlantic and has more than 33,000 acres of vineyards, yielding the largest cultivation of grape vines. The vineyards threaded through these extreme slopes give life to rich, tawny Ports, red and white table wines and sparkling Vinho Verde, which translates to “young wine.”

CIMA CORGO

Cima Corgo is home to a drier climate and proves to be the most fruitful region. The 50,000 acres of vineyards that cling to the Douro's heartland produce remarkable, long-lasting table wines and Ports like those of the vintage variety in Pinhão.

DOURO SUPERIOR

Douro Superior is the easternmost sub-region and has the driest conditions, slate-like soil and continental climate that gives life to some of the finest, most impressive vintage Ports in all of Portugal.

The Douro Valley's intense, vineyard-covered landscapes give life to the one and only Port wine.

Rambling vineyards and charming native farms cling to the steep sides of the Douro River Valley, creating an incomparable backdrop to one of Europe's most unspoiled regions and to Port country—the world's oldest demarcated wine region. Sail roundtrip from Porto, the beautiful “City of Bridges;” visit Barca d'Alva, the last Portuguese village along the Douro; and marvel at Salamanca, the UNESCO-designated “Golden City.” Taste a variety of local wines from village vineyards, including Port wine, the region's sweet fortified wine, and feast on a traditional meal at a lovely quinta overlooking the Douro Valley. Along the way, uncover a land of genuine beauty and breathtaking charm, and meet warm-hearted, friendly people with welcoming open arms.

ITINERARY HIGHLIGHTS

QUINTA DA AVESSADA: A FAMILY-OWNED WINE ESTATE

In the heart of the UNESCO-designated Alto Douro Wine Region, the family-owned wine estate of Quinta da Avesada offers an award-winning wine experience. Guided by your animated host, you'll learn the winemaking process from planting to labeling. Afterwards, enjoy a traditional Portuguese lunch paired with Port wine and the regional treasure, Moscatel de Faveiros. In fact, it was the first farm in the region to plant the Moscatel Galego grape variety and to produce the Moscatel de Faveiros.

QUINTA DA AVESSADA, PINHÃO, PORTUGAL

SALAMANCA: CITY OF GOLD

Known as being one of the most stunning Renaissance cities in Europe, Salamanca was first founded in the pre-ancient Rome era in roughly the 2nd or 3rd century BC. Golden sandstone buildings which seem to glow gold, orange and pink as the sun sets earned this city the nickname La Dorada, or the Golden City. Rich in culture and history, Salamanca's gorgeously preserved Old City is a UNESCO World Heritage Site. At the heart of the Golden City is one of Spain's most beautiful and celebrated plazas: the Plaza Mayor.

MEET OUR WINE HOST

Steve Chapin
Owner & winemaker
Chapin Family Vineyards, Temecula CA

Located in the prime winegrowing area of Temecula, California, the Chapin Family

Vineyards adventure started with an initial planting of five acres in 2002 with varieties of Syrah, Cabernet Sauvignon and Petite Verdot. A few years later, the vineyard was expanded into another six acre parcel with planted varieties of Voignier, Aglianico and Montepulciano. Steve says, "I want our winery friends to feel like they had a great time and felt welcomed in the quiet ambiance of the tasting room and patio area, a mini-vacation of sorts." This is why every Chapin bottle of wine reads "For the Love of Friendship."

ITINERARY HIGHLIGHTS

THE ART OF FLAMENCO: THE DANCE OF SPAIN

The rhythmic stamping of the feet and soulful clapping of the hands, the expressive arc of the arm and the flick of the wrist, the emotional intensity and the fiery passion, the fans, the shawls, the flowers, the ruffles, the colors, the castanets, the music, the strum of the guitar, the heat. This is flamenco, the dance of Spain. The fluid, sensuous dance is as much a part of Spanish culture as matadors, tapas and the running of the bulls. UNESCO even declared it to be one of the Masterpieces of the Oral and Intangible Heritage of Humanity.

CLASSIC FLAMENCO DANCERS, SPAIN

CASTELO RODRIGO: THE WHITE VILLAGE

From its lofty hilltop position, Castelo Rodrigo watches over the plateau stretching eastwards to Spain and northwards to the Douro River Valley. Castelo Rodrigo is one of Portugal's 12 historical villages and dates back to 500 BC. There are traces of Paleolithic, Megalithic, Castro and Roman cultures here, offering a true outdoor museum that conserves the history of our origins over time. Also, due to the fact that it was located on one of the paths to Santiago de Compostela, a church was built in the 11th century and later rebuilt in the 17th century, dedicated to Lady of Rocamadour.

Any resulting additional expenses will be participant’s responsibility. UNDER NO CIRCUMSTANCES SHALL WE BE LIABLE FOR CONSEQUENTIAL, EXEMPLARY OR PUNITIVE DAMAGES ARISING FROM OR RELATING TO THESE TERMS, THE PASSENGER TICKET CONTRACT, THE CRUISE OR ANY RELATED TRAVEL OR ACTIVITIES, AND OUR LIABILITY, IF ANY, SHALL IN NO EVENT EXCEED THE AMOUNT PAID TO US FOR THE TRAVEL.

PASSENGER TICKET CONTRACT: ALL SHIP TRANSPORT IS PROVIDED ACCORDING TO THE TERMS AND CONDITIONS OF THE PASSENGER TICKET CONTRACT, WHICH IS SENT AT THE TIME OF BOOKING, IS INCLUDED IN THE FINAL DOCUMENTATION SENT PRIOR TO THE CRUISE AND IS AVAILABLE FOR REVIEW AT WWW.AMAWATERWAYS.COM. THE PASSENGER TICKET CONTRACT ESTABLISHES LIMITS OF LIABILITY, LIMITS ON CLAIMS, AND TIME LIMITS FOR MAKING CLAIMS, AS WELL AS OTHER RESTRICTIONS, LIMITS AND DISCLAIMERS OF CARRIER’S LIABILITY FOR YOUR DEATH, ILLNESS, INJURY, OR DAMAGE CLAIMS RELATING TO BAGGAGE OR PERSONAL PROPERTY. CLASS ACTION WAIVER: THESE TERMS AND THE PASSENGER TICKET CONTRACT PROVIDE FOR THE EXCLUSIVE RESOLUTION OF DISPUTES THROUGH INDIVIDUAL LEGAL ACTION ON YOUR OWN BEHALF INSTEAD OF THROUGH ANY CLASS OR REPRESENTATIVE ACTION. EVEN IF THE APPLICABLE LAW PROVIDES OTHERWISE, YOU AGREE THAT ANY LAWSUIT AGAINST US OR THE CARRIER WHATSOEVER SHALL BE LITIGATED BY YOU INDIVIDUALLY AND NOT AS A MEMBER OF ANY CLASS OR AS PART OF A CLASS OR REPRESENTATIVE ACTION, AND YOU EXPRESSLY AGREE TO WAIVE ANY LAW ENTITLING YOU TO PARTICIPATE IN A CLASS ACTION.

Carrier Information: For vessels flying the Swiss flag, the Carrier is AmaWaterways GmbH, an entity organized under the laws of Switzerland. Deposit and Final Payment: To confirm a cruise or cruise & land reservation, we require a deposit of \$400 per person for Europe and Asia itineraries and \$2400 per person for Africa itineraries on or before the deposit due date indicated on the confirmation. Transoceanic airline flights and packages require an additional deposit of \$350 per person for economy class or \$600 per person for business/first class flights. Certain airline tickets require non-refundable, full payment at the time of reservation. Hotel Extra Nights require a non-refundable deposit of \$50 per cabin at the time of confirmation of the hotel availability. Final payment is due no later than 90 days before the travel start date.

Cancellation Charges: In the unfortunate event a participant must cancel travel, notice must be made to AmaWaterways by contacting reservations at (888) 626-1438 during normal hours. The effective date of the cancellation is the date we receive the written cancellation notice. A change in sailing date, name changes, the substitution of a participant or a reduction in the number of guests in a stateroom are treated as a cancellation in that all applicable cancellation charges apply. Cancellation charges for bookings within charter and part-charter agreements are as per the charter contract. All other cancellation charges are per-person, based on the cancellation date, as seen in the chart below.

You acknowledge that your cancellation will cause us and the Carrier difficulty in selling a replacement cruise or cruise & land reservation and thus the cancellation fees described below apply regardless of whether your cruise or cruise & land reservation

is resold. You agree that any losses sustained by us and/or the Carrier in the event of cancellation would be very difficult or impossible to quantify, and the cancellation fees are fair and reasonable as liquidated damages. Please contact your personal physician or local health department prior to travel for further detailed information and recommended precautionary measures.

Pricing: All prices are in US dollars. In the event that a cruise fare listed, quoted or advertised through any website, printed collateral, reservations person, travel advisor or any other source is booked, but is incorrect due to an electronic error, typographical error, human error or any other error causing the fare to be listed, quoted or advertised for an amount not intended by AmaWaterways, AmaWaterways reserves the right to correct the erroneous fare by requesting the passenger to pay the correct fare intended, or by canceling the cruise. Airfares, air taxes and air surcharges quoted on your invoice or by a reservation agent are only guaranteed once airfare deposit or full payment is received by AmaWaterways. AmaWaterways reserves the right to increase prices without notice.

Prices Do Not Include: Published prices do not include airfare, vessel fuel surcharges, passport and visa fees, baggage fees, port charges and fees, travel protection, vaccinations, laundry, additional food and beverages, optional excursions, gratuities or other items or services of a personal nature.

Passport and Visas: A valid passport is required for each participant. Passports must be valid for at least six (6) months after the scheduled return date to your home country. For travel to Asia, we require a copy of your valid passport prior to or at final payment. If not received at this time, embarkation may be denied, and cancellation penalties will apply. Guests on the Vietnam/Cambodia Cruise & Land program must obtain a Multiple Entry Visa for Vietnam, as they will have two different points of entry into Vietnam, and a Single Entry Visa for Cambodia. Guests on the cruise only Vietnam/Cambodia itinerary will require a Single Entry visa for Vietnam and Cambodia. For travel to Africa, a valid passport with 8 open/non-stamped pages is required. At publication time, a visa is required for a US citizen to travel to Vietnam, Cambodia, Rwanda, Tanzania and Zimbabwe (as well as numerous other countries). Non-US citizens must consult the appropriate consulates regarding visa and other document requirements. Obtaining required visas and any other required travel documentation, and assuring these are complete and correct in all ways, is the sole responsibility of each participant. We are not in a position to obtain or verify the accuracy or completeness of any participant’s visa or other required documentation and shall not be responsible or liable for delay or missed portion of any part of the itinerary or other problems resulting from the participant lacking the appropriate travel documentation.

Travel Documents: Only after receipt of full payment, final travel documents (including airline confirmation information, if applicable) will be sent by regular ground delivery (US & Canada), approximately 3-4 weeks prior to departure. (Delay in final payment will delay delivery of travel documents.) Expedited delivery may be possible for an additional charge.

FLIGHTS & AIRPORT TRANSFERS

Flight Schedules & Airfares: AmaWaterways offers special airfares based on the flight and seat availability of contracted carriers. We are able to accept a traveler's choice of preferred air carrier, flight schedule, and some deviations so long as the requests are made at the time of booking the airline reservation. To hold/confirm an airline reservation, the airlines require your full legal name as it appears on your passport. For contract airline fares a deposit of \$350 per person (economy class tickets) or \$600 per person (business/first-class tickets) is required to secure the flight schedule and quoted price. Published airfare prices require full payment at the time of reservation. Once the airfare deposit or full payment is received your airline tickets will be issued and any changes will be subject to penalty if not cancelled within 24 hours of ticketing. Should the name on your airline reservation not match your passport exactly, your airline reservation will have to be cancelled, full penalties will be assessed, and your reservation will have to be recreated subject to market pricing at the time of the new reservation.

Air tickets are Economy class. Upgrading to Premium Economy, Business or First Class is possible for an additional charge pursuant to the terms and conditions of the relevant airline(s). AmaWaterways guarantees upgrades for long-haul flights, but not U.S. Domestic flights, intra-Europe, intra-Asia and intra-Africa flights. Upgrades may not be possible when an air carrier changes the schedule, aircraft type, experiences a strike, overbooking or flight interruption of any kind. Air carriers reserve the right to do all the above. In such cases, all claims for airfare adjustment must be requested directly to the air carrier.

Air carriers require the passenger name to appear on the airline ticket exactly it appears on the passport. If it does not match exactly, AmaWaterways shall not be responsible or liable for the consequences which could include re-issue fees or denial of boarding. AmaWaterways shall not be responsible or liable for costs resulting from airline schedule changes, lost air ticket, delay, disruption or cancelled flight, lost or damaged baggage, missed connections, downgrades, denied boarding or voluntarily buying replacement tickets without the express consent of the air carrier. In any of these instances, claim must be made directly with the air carrier.

Changes: Airline tickets issued by AmaWaterways have restrictions and cannot be reissued, transferred, or exchanged. Any changes whatsoever made to an airline ticket will incur a minimum \$350 per ticket change fee for Economy (\$600 for Business), plus any additional increase in the cost of the airfare. A change or refund request for tickets purchased through AmaWaterways must be made through AmaWaterways, but may not be possible. Once a trip commences, only the date of the return flight ticket can be modified for \$350 per ticket change fee for Economy (\$600 per ticket for Business). Other changes may require purchase of a new ticket. The original return air ticket has no residual value.

Limitation on Special Requests & Frequent Flyer Numbers: AmaWaterways will try to relay requests for special meals, adding frequent flyer numbers or for seat assignments, etc. However, confirmation of any

request rests solely with the airline and the passenger or travel advisor must always confirm directly with the airline. It is recommended that each passenger provide their frequent flyer number to the airline at the time of check-in. Please note that airline tickets issued by AmaWaterways have restrictions that may not allow credit in part or whole for frequent flyer miles. Checking with the air carrier is the responsibility of the passenger.

Baggage: Checked and carry-on baggage are subject to restrictions that usually involve weight, size and/or number of pieces. Please check with the respective airline regarding baggage policies. There are strict luggage restrictions for our programs in Africa; please ask for details. We shall not be responsible or liable for costs or consequences for exceeding the airline's baggage restrictions, or for loss, theft, damage or delay to passenger's baggage.

Airport Transfers: Guests purchasing transoceanic airfare through AmaWaterways may qualify for complimentary group airport transfers for a scheduled arrival between the airport and the ship or hotel, and on a scheduled departure between the hotel or the ship and airport. If airport transfers are not reflected on your confirmation, AmaWaterways will not be responsible for providing airport transfer service. Please note: our group airport transfer service may involve some waiting time. All guests making their own airfare arrangements are responsible for arranging their transportation to/from the airport. Individual airport transfers can be purchased for those guests who are scheduled to arrive/depart on our itinerary dates, please ask for details.

Changes in Cruise and Cruise & Land Itineraries: Carrier seeks to provide services as published or stated in the final documents. But deviations to planned cruise, cruise & land itinerary or any other aspects of the travel may occur. If conditions make cruise routes unsafe for navigation or in other respects, or raise sufficient doubt about safety, Carrier reserves the right to modify or provide alternate services. These may include, but are not limited to, providing accommodation on the docked ship and/or substituting ground arrangements. An effort will be made to try to arrange elements of the cruise and cruise tour similar to those originally planned, but the level of similarity may vary. Except as otherwise provided in your Passenger Ticket Contract, such changes will not entitle you to any credit or a refund. Cruise, cruise & land routes, and all other aspects of the cruise and travel are subject to change with or without notice.

Hotel Accommodations: We will seek to use hotels listed (if any) on your confirmation. Changes may be necessary; therefore, use of such hotels is not assured. An effort will be made to substitute similar hotels, but the level of similarity may vary. Standard policy for hotels is to have rooms available for check-in no earlier than 3:00 p.m. Subject to the discretion of the hotel, triple-occupancy hotel accommodations may involve the use of hotel rooms with just two beds. Only those guests who have elected to take our Cruise & Land program on the brochure itinerary dates will receive transfers between the hotel(s) and the ship.

Cancellation by Carrier: Carrier reserves the right to cancel, change or postpone any cruise departure

date and itinerary. In the event of a complete cancellation of a departure by Carrier, we will refund monies paid for the cruise or cruise & land package to those participants who have not previously cancelled. See Passenger Ticket Contract for further details.

Personal Changes: Except as otherwise provided in the Passenger Ticket Contract, participant's deviation from the published itinerary for any reason will not entitle participant to any reduction in charge. Participant will bear a full charge for any unused services.

Child Policy: All guests under the age of 18 are to be in a cabin with an adult, and must remain supervised at all times, and their safety is the responsibility of the accompanying adult(s). Children between the ages of 4-10 at the time of embarkation may share a cabin with 2 adults provided the child is able to share the bed with the adults – no additional bed will be provided. Please be aware that balcony cabins of any kind may be unsafe for small children if left unsupervised. Children 4-7 years old are not recommended on any program and on our Africa program, due to safety precautions, there is a minimum age limit of 12 years old, unless otherwise agreed upon by AmaWaterways. AmaWaterways does not provide child-specific programs or child-minding facilities.

Disabled Participants: Handicapped facilities are not available on board or in many places visited on the cruises and cruise tours we offer. If you (participant) have a disability and reasonable accommodation may enable you to use the services, please let us know how you believe we can help. Participant are requested to inform us in writing, at or immediately after making the reservation, but in any event as early as possible, of any mobility impairment or other condition, whether physical, emotional or mental, which may require accommodation or use of an assistive device during the travel. A reasonable effort will be made to accommodate special needs, but we are not responsible for denial of service by Carriers, hotels, or other independent Suppliers. A participant, who, due to impairment, is not self-sufficient, may need to travel with a companion who shall take responsibility for assistance needed during travel and in case of emergency. An individual with a disability that would result in a direct threat to the health and safety of others or to that individual may be excluded, if it is determined there is a significant risk that cannot be eliminated or reduced to an acceptable level by reasonable accommodations, policies, practices, procedures assistive devices or services. If participant fails to timely inform us of any impairment or condition and/or their participation poses a safety risk to participant or direct health or safety threat to others, participant may be excluded from parts or all of the travel. We shall have no liability to participant relating to any condition, treatment, failure to inform us of an impairment, or resulting exclusion.

Pregnancy: Due to medical safety guidelines, we are unable to accommodate passengers who will enter their 24th week of pregnancy by the time of the cruise.

Medical: Medical doctors are not available on any vessel. If medical services are required, efforts to contact local medical providers will be made. A participant

requiring such assistance is solely responsible for all related charges. We will not be responsible or liable for sufficiency of our efforts to reach medical providers, unavailability, delay, quality or other aspect of any such services. Participant is encouraged at time of booking and well before departure, to review participant's health and medical conditions and insurance and consult participant's health care and insurance providers regarding needs and scope of coverage for any incident or need that may occur during travel, and to obtain supplemental health and medical insurance for the travel, as needed.

Inoculations and Medical Preparation: All passengers traveling on certain Africa itineraries will require Yellow Fever vaccination. AmaWaterways strongly recommends that all passengers take malaria pills for travel to Africa. Please contact your personal physician or local health department prior to travel for further detailed information and recommended precautionary measures.

Smoking: Smoking is only permitted on the ship's Sun Deck in the designated smoking area.

Diet: Special dietary requests must be provided to us at time of reservation. An effort will be made to meet the request, but we cannot assure the request can be accommodated.
